Project Coordination Unit (PCU)  
Avian Influenza Preparedness and Response Project  
Department of Livestock Services  
Krishi Khamar Sarak, Farmgate, Dhaka-1215

**Request for Expression of Interest For**

**Consultancy Services for Engineering Design and Supervision of the Works At Ten Selected Poultry Market Chains (PMC) -- Live Bird Markets, Demonstration and Adopter Farms in Ten Upazilas under different Districts of Bangladesh (Package No. S-24)**

Memo No: AIPRP/PMC/DesignSuper-415/2011/952 Date: September 26, 2011

The Government of Bangladesh (GOB) has undertaken to implement the Avian Influenza Preparedness and Response Project (AIPRP) to minimise the threat posed by the Highly Pathogenic Avian Influenza (HPAI) to humans in Bangladesh. The Department of Livestock Services has been designated to implement the Project with funds from IDA and AHITF through World Bank. A Project Coordination Unit (PCU) has been established in the Department of Livestock Services (DLS) and is responsible for project implementation including coordination and M&E. As a part of this project, about 10 identified Poultry Market Chains (PMC) which includes demonstration farms and adopter farms have been identified in 10 upazilas of Bangladesh to improve their bio-security aspects. Each of the PMC is planned to include two demonstration farms (one for broiler and the other one for layer) and 14 adopter farms (seven each for broiler and layer farm). In total, the PMCs will include 10 Live Bird Markets, 20 Demo-Farms, and 140 Adopter-Farms. At this point, it is likely that 3-4 LBM's out of total 10 will be new construction while the remaining ones will be improvement/modification of the existing ones. All 160 farms will be existing ones, identified by the project team.

2. The programme will commence with the mobilisation of demo farms and adopter poultry farmers, to be followed by a bio-security needs assessment of participating farms and middlemen supplying poultry or eggs to the LBM's to be upgraded.

3. **Objective of the assignment:** Overall, the design and supervision consultant will assist the PCU for timely implementation of about 10 PMCs. The objective of the assignment is to prepare detailed architectural design, engineering design for LBM's covering civil, electrical, water supply & waste disposal; bill of quantities (BoQ), tender document; assist PCU in procurement process, award of contract; and provide full time supervision of the works, certifying the quantity and quality of completed works (carried out by the contractors). In case of demonstration and adopter farms, the consultant will assist PCU to review and package the preliminary needs assessment for identified farms, prepare estimate for each of 160 farms and finally supervise the modification/improvement works.

4. **Consultancy assignment period:** The consultancy assignment is expected to start from later part of 2011 and close on December 31, 2012. The physical works of PMCs is planned to commence from early 2012 and completed by December 2012.

5. **Detailed scope of consultancy services**  
The consultancy assignment is for design and supervision of identified 10 PMCs and the likely breakdown of infrastructure by the type is as shown below:

- 3-4 LBM's-new facility.
- 6-7 LBM's-upgrading of existing facilities.
- 20 Demonstration Farms (10 LBM's @2)-upgrading of existing farms.
- 140 Adopter Farms (10 LBM's @2x7)-upgrading of existing farms.

6. The consultant will carry out necessary activities for satisfactorily completing the assignments. The service also includes:

- Review evaluation reports of 24 renovated LBM's (FAO) and 4 new LBM's (STOP AI), funded by USAID.
- Prepare architectural plans for the proposed new LBM's and modifications of the existing LBM's.
- Carry out visits to few upgraded and newly constructed LBM's.
- Agree on final/approved Architectural Plans/Market layouts in consultation with District Task Force (DTF), PCU.
- Preparation of detailed lay out plan, engineering design, covering structural, water supply and waste disposal, electrical and drawings. The design will follow national standards for similar facilities with respect to disposal of waste water to ensure proper bio-security and environmental compliance.
- Preparation of technical specifications, quantity & cost estimates, tender & contracts documents following the GOB-PPR/WB Guidelines.
- Ensure full time compliance to the rules and guidelines for construction supervision at 10 LBM's and top supervision for 160 poultry farms; and contract administration/management.

The EOIs would be reviewed on the basis of the following to prepare a short list:

- Registration of the firm/institute;
- Availability of appropriate skills among staff;
- Demonstrated capacity to handle such assignment;
- Experience in similar tasks.

Detailed Terms of References and other relevant information are available at PCU, AIPRP and DLS website ([www.dls.gov.bd](http://www.dls.gov.bd)). The consulting firm will be selected through 'Consultants Qualification Selection (CQS)' method in accordance with the procedures set out in the Guidelines for Selection and Employment of Consultants under IBRD Loans and IDA Credits by World Bank Borrowers: edited on March 2010.

**Expression of Interest must be delivered to the address below by October 16, 2011 17:00 hours BST.**

**Invitation for Re-Tender 3rd (Works)**

Sealed tender is being invited from the owners of shipbuilders/shipyards who have experience of rehabilitation/building ships.

1.	Name of ministry	Ministry of Shipping.				
2.	Name of agency/procuring entity	Bangladesh Inland Water Transport Corporation (BIWTC).				
3.	Procurement method	Open tendering method (NCT).				
4.	Name of project	Rehabilitation of 6 Ro-Ro Ferries, 2 K-Type Ferries & 6 Pontoons.				
5.	Budget & source of funds	Combination of GOB (Government of Bangladesh) & self funds.				
6.	Tender package No.	69				
7.	Invitation tender's Ref.	BIWTC/P-69/Ph-3/Jahangir(Lot-1)/Barkat(Lot-2)/2011, date: 27-09-11				
8.	Eligibility of tenderers	The shipbuilders/shipyards of Bangladesh who have experience of rehabilitation/building ships alone or jointly in the form of Joint Venture, Consortium or Association (JVCA) are capable to rehabilitate the Ships Ferry <b>B.S. Jahangir &amp; B.S. Barkat</b> as per conditions of tender document and thereafter deliver to BIWTC.				
9.	Brief description of works	These are the Ro-Ro Ferries. Rehabilitation works of the vessels include (but not limited to) plate changing, accommodation renovation, overhauling of main engines with propulsion systems, windlas, installation & testing of generating sets & other machineries as specified in tender documents.				
10.	Name & address of the office(s) selling tender document	Cash Section, BIWTC, 2nd Floor, 5, Dilkusha C/A, Dhaka-1000.				
11.	Name & address of the offices receiving tender	i. The office of the Chief Engineer, 5, Dilkusha C/A, Dhaka-1000. ii. The office of the Deputy Secretary (Commercial), Ministry of Shipping, Bangladesh Secretariat, Building No-6 (8th Floor), Room No. 814. iii. Commissioner Office, Dhaka Division, Segunbagicha, Dhaka.				
12.	Name & address of office opening tender	The office of the Chief Engineer, 5, Dilkusha C/A, Dhaka-1000.				
13.	Last date & time for selling tender document	10-10-2011 up to 1700 hours (Bangladesh Standard Time).				
14.	Last date & time for submission of tender	11-10-2011 at 12:00 noon (BST).				
15.	Date & time for opening of tender	11-10-2011 at 1400 hours (BST). Tenderers & their representatives are allowed to attend.				
16.	Place, date & time of pre-tender meeting	The office of Chief Engineer, 5, Dilkusha C/A, Dhaka-1000. On <b>04-10-2011</b> at 11:00am (BST).				
17.	Special instruction	The procuring entity (BIWTC) reserves the right to reject any or all of the tenders without assigning any reason whatsoever.				
18.	Lot No.	Identificatio n of lot	Location	Price of tender document	Tender security	Time for completion of works
	1	Ro-Ro Ferry Bir Shreshtha Jahangir (Lot-1)	Tenderers yard	Tk. 10,000/- (non-refundable) for Lot-1	Tk. 21 (twenty-one) lac for Lot-1 in the form of Bank Draft/Pay Order/irrevocable Bank Guarantee from any scheduled Bank of Bangladesh	08 months for Lot-1 from the date of handing over the vessel
	2	Ro-Ro Ferry Bhasha Shaheed Barkat (Lot-2)	Tenderers yard	Tk. 10,000/- (non-refundable) for Lot-2	Tk. 21 (twenty-one) lac for Lot-2 in the form of Bank Draft/Pay Order/irrevocable Bank Guarantee from any scheduled bank of Bangladesh	08 months for Lot-2 from the date of handing over the vessel

**Request for Proposal (RFP)**

1	Organisation	Nau Foundation.
2	Agency	Nau Foundation.
3	Procuring entity name	Directorate of Welfare, Solar Power Project.
4	Project location	St. Martins Island.
5	Expression of interest for selection of	Investment Partner on Joint Venture for Installation, Power Production, Distribution, Price Rate Selection, Revenue Collection of Solar Power System at St. Martins Island.
<b>KEY INFORMATION</b>		
6	Procurement method	Quality & Cost Based Selection (QCBS).
<b>FUNDING INFORMATION</b>		
7	Source of funds	Investment partner.
8	Development partners (if applicable)	Development partner to be selected through this RFP.
<b>PARTICULAR INFORMATION</b>		
9	Project name	Solar Power Plant (Green Power) at St. Martins.
10	RFP closing date & time	01/11/2011, time up to office hour.
11	Receiving date and time	02/11/2011 up to 12.00 noon. a. No RFP will be received after receiving time. b. RFP to be submitted in four copies (one original and three copies).
12	Opening date and time	RFP will be opened on 02 Nov 2011 at 2.00pm.
13	Brief description of assignment	Detail survey of solar power requirement at St. Martins, installation plan of solar panel, batteries, converters, power distribution lines around the Island, determination of price rate, marketing and revenue collection etc.
14	Experience	i) Preparation of short-listing of interested firms on the basis of the condition stated in TOR. ii) The firm shall have updated Income Tax certificate, trade license, Vat registration certificate and other relevant certificate. Duly attested by Class-1 gazetted officer.
15	Other details	i) Interested firm are invited to submit RFP proposal enclosing with their required documents. ii) Expression of interest shall be submitted in sealed envelop, delivered to the address of the undersigned shown below on or before 12.00 noon 02/11/2011 and carefully marked. "Request for Proposal (RFP) for participating as investment partner for Solar Power Project at St. Martins Island". iii) No application/proposal will be accepted after the receiving time. Interested applicants may collect further information by applying to the address below during normal office hours up to 02/11/2011. iv) Any firm or together with the consortium/principal should have experience of successful completion of survey, plan, design line network system of solar power production and distribution. The experience certificate must be issued by an officer not below the rank of Executive Engineer/proof of experience of foreign company or consortium. The firm or together with the consortium/principal should have minimum average annual turnover at least Taka 40 core or equivalent for last 05 (five) years.
16	Availability of RFP documents	i) Office of the Nau Foundation, Directorate of Welfare, Naval Headquarters, Banani, Dhaka-1213. ii) Officer in Charge, NSSD Dhaka, BNS Haji Mohsin, Dhaka Cantonment, Dhaka-1206.
17	Price of RFP document	Tk. 5000.00 non-refundable.
<b>PROCURING ENTITY DETAILS</b>		
18	Address of official inviting RFP	Office of the Nau Foundation, Directorate of Welfare, Naval Headquarters, Banani, Dhaka-1213.
19	Contact details of official inviting RFP telephone No.	02-8754021.
20	The procuring entity reserves the right to accept or reject any or all RFP's without assigning any reason.
