STAFF CORRESPONDENT

State Minister for LGRD and Cooperatives Jahangir Kabir Nanak yesterday said the outgoing Dhaka City Corporation (DCC) Mayor Sadeque Hossain Khoka's activities on the DCC split issue are "contradictory".

Though the mayor bid farewell to his post, he filed a writ petition challenging the split's legality. Moreover, Khoka's party, BNP, called a dawn-to-dusk hartal over the issue on Sunday, he added.

Nanak was talking to reporters after launching the "Sector Development Plan fiscal year 2011-2025" organised by Local Government Department (LGD) in the city's Ruposhi Bangla Hotel.

Over the hartal, he opined that BNP should have waited for the court's decision on the split "instead of making the general people suffer unnecessarily".

Two administrators would be appointed as soon as the gazette notification on the split is released, he added.

## DCC split to destroy heritage

Says Dr Kamal

STAFF CORRESPONDENT

The heritage and traditions of Dhaka will be destroyed if the city corporation is split into Dhaka South and Dhaka North, eminent jurist Dr Kamal Hossain said at a discussion yesterday.

He said an attempt is underway to destroy Dhaka city's heritage through the split. The city dwellers have started a movement protesting the government's decision and, if necessary, the 16 crore people of Bangladesh will join the movement, he added.

Praktan Chhatra League Foundation, a platform of former leaders and activists of a student organisation, organised the discussion titled "Ways forward to recover from constitutional crisis" at the Institute of Diploma Engineers in the city.

Addressing the programme, Mahmudur Rahman Manna, ex-leader of Bangladesh Chhatra League (BCL), a pro-Awami League student body, said that although involved with the politics of the ruling party, he does not accept the party's wrong decision. He said he did not accept scrapping of the caretaker government system and now also does not support the split of the Dhaka City Corporation (DCC).

Veteran journalist ABM Musa criticised some recent activities of BCL saying that this organisation has contributed a lot in the golden history of this country but is now busy in extortion and other illegal activities.

Praktan Chhatra League Foundation convener Nur-e-Alam Siddiqi presided over the discussion while former Chief of Army Staff Lt Gen (retd) Harunur Rashid and former BCL leaders Khaled Mohammad Ali, MA Rashid, Matiur Rahman, and Abul Kashem spoke among others.

**SC order on 807 NU staff jobs Dec 4**

STAFF CORRESPONDENT

The Supreme Court yesterday fixed December 4 for passing an order on the petitions filed against a High Court verdict that declared illegal the appointment of the national university's (NU) 807 officials and employees.

A six-member bench of the appellate division bench of SC yesterday held hearing on the petitions and fixed the date.

The HC on August 23 this year ruled that appointment of the 807 staff recruited between November 17, 2003 and August 31, 2004 was illegal.

Acting upon the HC verdict, the NU syndicate on September 10 called an emergency meeting and decided to sack 821 staff who were recruited through a fake advertisement during the tenure of the BNP-led government.
