EVM REVIEW
BNP asked to send its experts

STAFF CORRESPONDENT

The Election Commission yesterday invited the BNP to send its technical experts to the commission for examining the electronic voting machine (EVM).

The commission sent a letter to the main opposition party to that end in response to a letter from the party.

The EC in its letter also proposed that the party sit with the commission to

Repatriation after verification

Myanmar president assures PM over Rohingya refugees

AGENCIES

Myanmar has agreed to take back Rohingya refugees from Bangladesh after verification by its authorities.

Myanmar President U Thein Sein gave the assurance to Prime Minister Sheikh Hasina during official talks at the President's Office in Nay Pyi Taw on Tuesday.

Some 28,000 Myanmar refugees have been staying in camps in Cox's Bazar for a

long period of time.

During the official talks, Hasina said the presence of the refugees has been creating social, financial and environmental challenges to Bangladesh.

The Myanmar president assured the Bangladesh premier of Myanmar's readiness for an early resumption of the repatriation process of the already cleared list of refugees under the aegis of the UNHCR.

At least 7 fired on BDR chief

Ninth witness details how army officials shot dead by mutineers inside Darbar Hall

SHARIFUL ISLAM

An officer of erstwhile BDR yesterday gave a Dhaka court an account of how BDR rebels shot their chief and 11 other senior officers during the 2009 BDR mutiny at the Pilkhana headquarters.

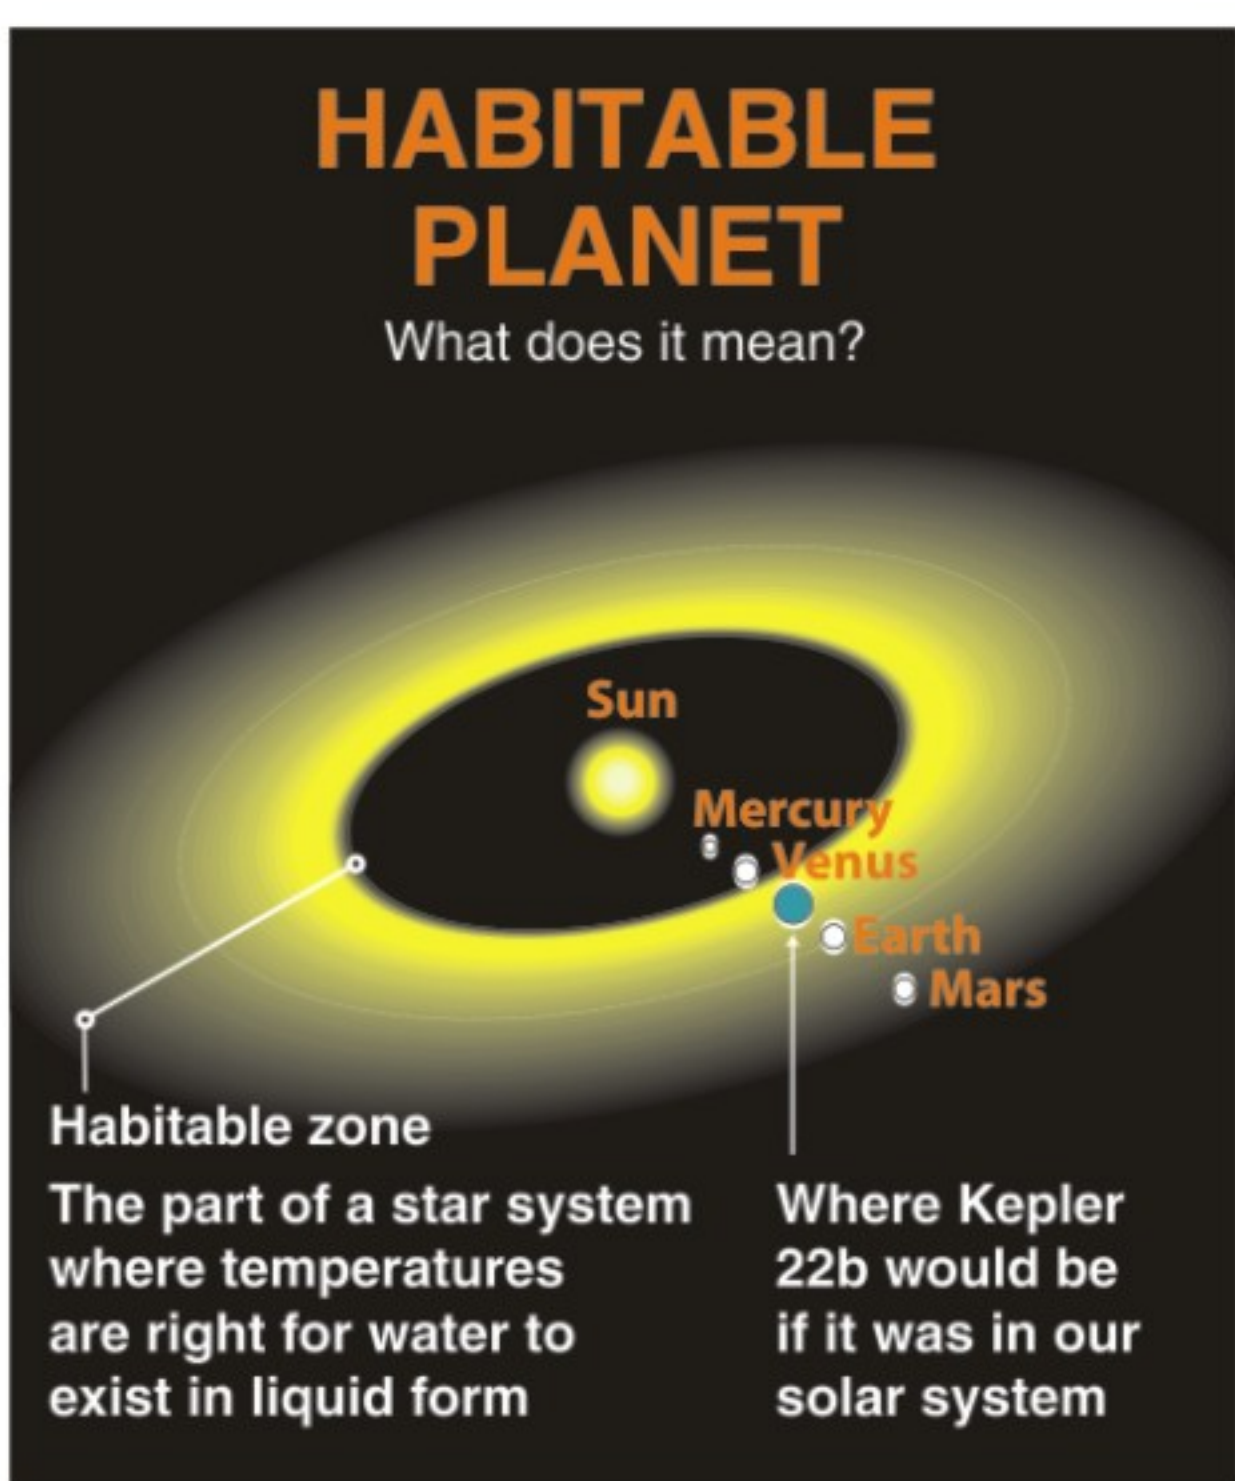

Their bodies were recovered later from a mass grave in the headquarters premises.

This is for the first time that any BDR officer has described how the then BDR director general Maj Gen Shakil Ahmed came under fire at the Darbar Hall on the

Nasa confirms 'super-Earth' that could hold life

AFP, Washington

In another step toward finding Earth-like planets that may hold life, Nasa said Monday the Kepler space telescope has confirmed its first-ever planet in a habitable zone outside our solar system.

French astronomers earlier this year confirmed the first rocky exoplanet to meet key requirements for sustaining life. But Kepler-22b, initially glimpsed in 2009, is the

Is your name more than just a name?

For the majority, a name is just a combination of alphabets. It is how you identify yourself everywhere.

But for a few, especially for the fortunate few, the name is so much more.

It represents an image that is larger than life. It is the reason why you don't need to introduce yourself everywhere.

For these fortunate few, their abodes shall represent more than just a building. It too, must be larger than life.

UNAUTHRISED HOUSING PROJECTS Ban slapped on advertisement

STAFF CORRESPONDENT

The High Court yesterday banned advertisement of unauthorised housing projects in print and electronic media.

The HC bench of Justice AHM Shamsuddin Chowdhury Manik and Justice Jahangir Hossain Salim also directed the government to take immediate legal actions against the publicity, earth filling and other activities of the projects.

The directives came in response to a petition filed by Bangladesh Environmental Lawyers Association (Bela), Bangladesh Poribesh Andolon, and Paribesh Banchao Andolan on June 16 this year.

The Real Estate and Housing Association of Bangladesh (Rehab) was then holding a fair in the capital promoting a good number of projects that were earlier declared illegal by the court.

The petition said a number of housing companies that were sponsoring the fair have unauthorised projects.

Newspapers and television channels now have to check the approval document of each housing project before running its advertisement, said executive director of Bela Syeda Rizwana Hasan.
