SIGNATURE FORGERY CHARGE

BCC fires 170 class four staff

OUR CORRESPONDENT, Barisal

The Barisal City Corporation (BCC) authorities have dismissed 170 class four employees of health and sanitation department on Saturday on charge of forging the mayor's signature.

The forgery was detected on the recommendation letter during verification of appointment papers recently.

BCC workers said that initially there were 600 temporary workers in health and sanitation department. Wage of each worker was Tk 120 per day.

In last two years 464 workers were regularised on the basis of mayor's recommen-

dation while the rest 136 are still working on temporary basis.

Dismissed employees, however, alleged that they submitted prayers for regularisation through the section officer of health and sanitation department, Dipak Lal Mridha. They also gave him speed money for the purpose, they said.

"If any wrong doing was found, that was done by Mridha, not by us", one of the dismissed employees told this correspondent requesting anonymity.

He also demanded punishment to the person responsible.

Contacted, Dipak Lal Mridha denied the allegation.

JP's long march towards Teesta Barrage next month

OUR CORRESPONDENT, Rangpur

Jatiya Party (JP) Chairman HM Ershad has announced that his party will hold a long march towards Teesta Barrage at Dalia in Nilphamari in last week of January to press home the demand for water-sharing of the Teesta River.

Addressing an extended meeting of the party at Rangpur circuit house on Saturday afternoon, Ershad said Indian Prime Minister Manmohan Singh committed to give just share of water of the Teesta but he did not fulfill his commitment.

This is why, Jatiya Party will hold the long march towards Teesta Barrage with the party leaders and activists, he said.

He further said that the Teesta has now turned into a narrow canal as India withdraws water from the river unilaterally. Teesta Barrage, which the government constructed at Tk 1,500 crore has not come to any use of people, he added.

Ershad said, if India does not agree to give just share of water of the Teesta, they will go to the international court for the same.

He called upon all political parties to reach a consensus on the national issue and put pressure on India so that it agrees to give just share of water of the river.

Jatiya Party district unit convener Mostafizar Rahman Mostafa presided the meeting. Party leaders and activists of eight northern districts took part in the extended meeting.
