

No sign in sight to reopen Khulna Hardboard Mills

QUAZI AMANULLAH,
Khulna

Five months into suspension of operation due to severe fund crisis, state-owned Khulna Hardboard Mills still faces uncertainty about resumption of its production as mill authorities' letters for allocation of required fund are reportedly gathering dust at the ministries concerned.

As many as 239 workers and employees became jobless as fund problem compelled authorities of the hardboard mill to suspend its production on July 16 this year.

Now Tk 54 crore including Tk 10 crore as running capital is needed for resuming production and conducting maintenance works, mill sources said.

Seeking allocation of required fund, management of the hardboard mill on several occasions wrote to industries and finance ministries but no concrete decision is still in sight.

Established in 1965 at Khalishpur industrial belt at the initiative of Canadian Commercial Corporation, the hardboard mill went into commercial production in 1966.

government closed the mill on pay-off basis on the grounds that it became a losing concern.

But it had to be reopened on September 14 in 2005 in the face of tough movement launched by Greater Khulna Development Action Coordination Committee.

According to a highly placed source of Bangladesh Chemical Industries Corporation (BCIC), the mill

management will have to wait till next financial year for getting allocation of the fund as per demand.

"I have received a green signal from BCIC for allocation of Tk 10 crore as running capital to resume production of the mill. I hope to get it shortly," said Kazi Ruhul Amin, managing director of the mill.

Asked about the matter, State Minister for Labour and Employment

Begum Mannujan Sufian could not say when the mill would be able to resume production as allocation of the fund is being delayed.

"The BCIC has imported some important modern machinery that has already been unloaded from Mongla Port. It will be installed at the mill only after receiving allocation of fund," she said.

Pass rate of this year's Junior School Certificate (JSC) examinations under Dinajpur Education Board went up by 22.17 percent compared to last year's.

The number of GPA-5 achievers also saw a tremendous rise -- from last year's 763 to 3,645 students this year, said board officials.

Of the GPA-5 achievers -- 2.20 percent of total students, 2,061 are male and

1,584 female.

As many as 1,65,898 students appeared at the examinations this year, of them 1,39,983 students or 84.35 per cent passed while 62.18 per cent of 1,21,582 students passed in 2010 under the board.

According to the official data, 1,72,139 students were registered from the eight northern districts under Dinajpur board to appear at the JSC examinations.

The number of dropout

(6,241 students) this year is much lower than last year's (12,455).

Nineteen students were expelled for adopting unfair means in the examinations this year.

"We are happy as both pass rate and number of GPA-5 achievers have risen greatly compared to last year's. Besides, the dropout rate has gone down by half," said Abdul Mozid, secretary of Dinajpur Education Board.

Shun personal ambition, serve greater interest of hill people Santu Larma urges CHT headmen

OUR CORRESPONDENT, Rangamati

Chairman of Chittagong Hill Tracts (CHT) Regional Council Jyotirindra Bodhipriya Larma yesterday urged the headmen (traditional leaders) to play their due role to protect own culture, tradition and customs and take part in development activities in

their areas.

The headmen should rise above personal interests and be competent and educated enough to serve the people, he said while addressing as chief guest at the CHT Headmen's Conference held at the auditorium of Khudro Nigosthi Institute in Rangamati town.

"The traditional leaders cannot

perform their job properly as the Chittagong Hill Tracts peace deal is yet to see proper implementation," said the CHT ethnic people's leader, popularly known as Santu Larma.

He urged the headmen to be united for greater interest of hill people and refrain from involving in the political parties that do not

believe in the existence of indigenous people.

Santu Larma demanded that the government implement the peace accord fully and hand over the land management system to the hill district councils immediately.

CHT Headmen's Network and Khagrachhari Headmen's

Association organised the conference under the auspices of CHT Regional Council and International Labour Organisation (ILO).

Three hundred and sixty-nine headmen under Chakma Circle, Mong Circle and Bomang Circle attended the conference.
