**MEDIA-MANAGER M/F**  
for the support and expansion of their team in Gulshan/Dhaka to the earliest possible starting date.  
These are your tasks:  
• You will take over the leadership of a motivated and qualified team of about 50 employees nowadays and will be responsible to extend continuously  
• You will be the interface between the German head-quarter and the local office with the responsibility in all administrative, organisational and production topics  
• You ensure a smooth process at the production site and are responsible for securing and optimizing the workflow and quality, as well as taking care of the workforce management  
These qualifications you should bring with you:  
• We are looking for a strong motivated and far-sighted leader, who supports with assertiveness, strong negotiation skills and natural authority in the corporate philosophy of our member  
• You have high social competence and enjoy as well as having the skill in dealing with people of different cultures  
• You have gained professional experience in managing teams within the last years  
• In addition to excellent communication and team skills, initiative, responsibility, flexibility, resilience and commitment as well as structured and result-oriented work should describe your strengths  
• You are born and brought up in Europe and you are fluent in English  
• We prefer applicants who have completed a technical education in the field of digital image processing, it will be an advantage if you also have experience in dealing with Adobe Photoshop  
This is what you can expect:  
• We offer a secure and full-time position. You can expect an interesting, diversified and responsible job with a variety of possibilities and freedoms  
• You have the opportunity to build up a young production team and be a significant part of the success in the initial phase  
• In addition to comprehensive support in relocation (e. g. relocation service, visa), you will get an attractive remuneration package corresponding to the responsibilities of the position  
We are looking forward to your application:

• You have high social competence and enjoy as well as having the skill in dealing with people of different cultures  
• You have gained professional experience in managing teams within the last years  
• In addition to excellent communication and team skills, initiative, responsibility, flexibility, resilience and commitment as well as structured and result-oriented work should describe your strengths  
• You are born and brought up in Europe and you are fluent in English  
• We prefer applicants who have completed a technical education in the field of digital image processing, it will be an advantage if you also have experience in dealing with Adobe Photoshop  
This is what you can expect:  
• We offer a secure and full-time position. You can expect an interesting, diversified and responsible job with a variety of possibilities and freedoms  
• You have the opportunity to build up a young production team and be a significant part of the success in the initial phase  
• In addition to comprehensive support in relocation (e. g. relocation service, visa), you will get an attractive remuneration package corresponding to the responsibilities of the position  
We are looking forward to your application:  
Your application stating your salary expectations and earliest possible starting date, please direct to the following e-mail golam.rabbani@bgcci.com with mentioning the subject "Media-Manager"  
BGCCI  
Bangladesh German Chamber of Commerce & Industry  
German House  
Road # 90, House # 10/C, 1st Floor  
Gulshan 2, Dhaka 1212, Bangladesh

**MEDIA-MANAGER M/F**  
for the support and expansion of their team in Gulshan/Dhaka to the earliest possible starting date.  
These are your tasks:  
• You will take over the leadership of a motivated and qualified team of about 50 employees nowadays and will be responsible to extend continuously  
• You will be the interface between the German head-quarter and the local office with the responsibility in all administrative, organisational and production topics  
• You ensure a smooth process at the production site and are responsible for securing and optimizing the workflow and quality, as well as taking care of the workforce management  
These qualifications you should bring with you:  
• We are looking for a strong motivated and far-sighted leader, who supports with assertiveness, strong negotiation skills and natural authority in the corporate philosophy of our member  
• You have high social competence and enjoy as well as having the skill in dealing with people of different cultures  
• You have gained professional experience in managing teams within the last years  
• In addition to excellent communication and team skills, initiative, responsibility, flexibility, resilience and commitment as well as structured and result-oriented work should describe your strengths
