21 YEARS OF EXPERIENCE

FNU FIJI NATIONAL UNIVERSITY
Fiji National University, the largest university in the South Pacific, plays a leading role in the development of modern higher and technical education in Fiji. The FNU enrolls over twenty thousand students from across the region, and in a wide range of academic, technical and vocational programmes. FNU operations are found at 31 different locations. The University comprises five colleges which deliver programmes from trade certificate to PhD level. The College of Engineering, Science and Technology is the largest College in terms of student numbers, staff numbers and the number of programmes offered. The College comprises the following Schools and Departments: Automotive Engineering & Road Transport, Aviation Engineering and Avionics, Building and Civil Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Maritime Studies, Printing Technology, Maths and Computer Engineering, and the School of Pure and Applied Sciences, which itself comprises the departments of Biology, Chemistry, Physics, Home Economics, Food Technology, and Environmental Studies. The University is looking for suitably qualified, experienced and dynamic persons for the position of College Dean.
DEAN - College of Engineering, Science & Technology
Ref No: OVC 04/11
Reporting to the Vice Chancellor, this position is part of the management tier of the University. As such, this is a high responsibility position, responsible for the integrity of academic services offered by the College of Engineering, Science & Technology. The specific requirement are as follows:
ROLES AND RESPONSIBILITIES OF A DEAN
• Provide academic and professional leadership to the College.
• Ensure that the programmes offered by the College are of high quality and on par with the standards of professional institutions and accreditation bodies.
• Develop and maintain links with relevant accreditation authorities within and outside Fiji.
• Ensure that College programmes are relevant to the industry, and meet the relevant human resource needs of the country.
• Ensure that all College programmes are regularly revised and externally reviewed within the provisions of University regulations.
• Direct and co-ordinate the activities of the heads of academic sections that fall within the College.
• Lead and be responsible for the preparation and approval of the College's annual budgets within the management and academic policies of the institute.
• Ensure that all sections and staff of the College operate within the policy framework of the University.
• Advise the Vice Chancellor and the University Senate on academic, administrative and financial issues relating to the College and/or affecting the College and the University.
• Undertake any related responsibility assigned by the Vice Chancellor to further the work and welfare of the College and the University.
SKILLS AND ATTRIBUTES
• Demonstrated academic leadership.
• Exceptional communication and interpersonal skills.
• A commitment to high performance, meeting targets, and the effective management of the College.
• Sound knowledge of the tertiary education sector and the ability to raise the profile of the College within this sector.
• Strong advocate of the College and its constituents.
• A solid record in teaching, research and publication.
• Outstanding record of research leadership.
• Excellent strategic vision and ability to manage operations of the College with a focus on its immediate, medium term and long term development.
• Demonstrated management experience at a comparable level in higher education institutions.
• Strong ability to source local and international funding and partnership agreements.

MINIMUM QUALIFICATIONS REQUIREMENTS
The Dean must be an academic leader with a distinguished record in research/publication, teaching and management. He/she must be able to demonstrate within a higher education environment effective personnel, entrepreneurial, management and financial skills; excellent interpersonal and negotiation skills, and understanding ability to implement equal opportunity principles.
The successful candidates should have a Doctoral Degree (PhD) or equivalent in an academic area relevant to the College, and more than 10 years related experience and/or training, or equivalent combination of education and experience.
Terms and Conditions:
The position is tenable via a three (3) year employment contract, renewable subject to meritorious performance.
An attractive salary commensurate with qualifications and abilities would be negotiated with the successful applicant.
Applications with detailed CV, certified copies of academic certificates and transcripts, and names and addresses of three most recent referees, must be submitted online using the **University's online job applications system** which can be accessed at this address: www.career.fnu.ac.fj or
• emailed to vc@fnu.ac.fj or
• marked 'CONFIDENTIAL' and mailed to **Vice Chancellor, Fiji National University, P. O. Box 7222, NASINU.**
CLOSING DATE
• **4:00pm on 20 January 2012.**
• Applicants who submit applications using the online system need not send hardcopies of the application.
Please note that only shortlisted candidates will be contacted. If you have not been contacted by Fiji National University then your application has not been successful.
All applications will be treated with strict confidentiality.
