

## CHALLENGING THE ODDS

**T**HE smiles on their faces tell you stories of perseverance, courage and strength. It shows that they have what it takes to overcome all the odds. Their physical or mental disabilities could not get in the way of finding pleasure in sport. The National Association of Sports for the Persons with Disability (NASPD) organises sports competition every year for mentally and physically challenged children. It is not about winning or losing a game. It is all about showing the spirit.
