Each year the university distributes at least 9% of its total earnings among 20% or more of its regular students. According to the provision of the Private University Act, 2010, private universities are required to provide scholarships to 6 (six) percent of their enrolled poor but meritorious students. Since its

inception, the founders of East West University have adopted a policy of not paying any profit or dividend to themselves but to use a good proportion of its operating surplus towards nurturing merit and providing financial support to students in need. In the last twelve years, the scholarships and financial aid policy adopted by East West University have become sources of great encouragement to meritorious but financially constrained students. The academic world has greeted this policy pursued by East West University enthusiastically. Benefits to students are awarded in the following forms:

1. Merit Scholarships

EWU has generous merit scholarships/financial aid programs. A sum of Taka 2,62,85,581 (two crore sixty-two lakh eighty-five thousand five hundred and eighty one) only was awarded to 794 students in 2010-2011.

2. Financial Aid

(a) General At the beginning of each semester, the university considers applications on prescribed forms for the granting of financial aid to deserving students on a need-cum-merit basis.

(b) Family Concession

When two siblings (brother/sister with the same parents) study simultaneously at East West University, the second sibling is entitled to a half-tuition waiver subject to fulfillment of some specified requirements. This benefit may extend up to the third sibling.

(c) Freedom Fighters' Scholarship

As a mark of respect to the valiant freedom fighters of the War of Liberation and Independence, the university reserves 3% admission quota for the wards of freedom fighters of all categories, subject to

their fulfillments of the minimum admission requirement at East West University. The university also considers maximum 100% tuition waiver scholarship to the wards of wounded, deceased and financially needy freedom fighters, subject to the fulfillment of some specified requirements.

3. Benefit for EWU Employees

If the children of the employees study at EWU, only one child of an employee will be granted 50% tuition fee waiver during the entire tenure of the employee's service at EWU subject to fulfillment of admission and all other criteria for study at EWU. Granting of this tuition fee waiver will be effective on admission of the student but its continuation will be subject to fulfillment of Financial Aid requirements.

4. The Medha Lalun Fund

In order to be able to extend further support towards nurturing merit, particularly to students from middle-class background, to female students, and to students from outside the metropolis, the Board of Directors of East West University set up in 2002 a scheme called the East West University Medha Lalun Fund with an initial endowment of Taka one and a half crore. The Board has also sanctioned an amount of Taka one crore thirty lakhs from the operating surplus of the university for the Fund. This is in addition to the disbursement each year on regular components such as the merit scholarships and financial aid. Several philanthropic persons/organizations have contributed a combined amount of Taka twenty-seven & a half lakh to the Medha Lalun Fund. This need-cum-merit based financial aid is awarded from the annual earnings of the East West University Medha Lalun Fund deposited in a lucrative five-year interest earning Scholarship Deposit Account of Mercantile Bank.

The following scholarships are currently being offered under the Medha Lalun Fund scheme:

The table below shows the number of recipients/beneficiaries of various scholarships, financial aid programs and amount of scholarships distributed during the last four years. Data in table show a declining trend in terms of both the number of recipients and the amount of scholarship disbursed. This is mostly due to declining number of students meeting the criteria for such scholarships and Financial Aid. However, these figures (i.e. number of scholarship recipients and amount of scholarship) are likely to increase significantly from the academic year 2011-2012 with the introduction of 100% Scholarship for the wards of Freedom Fighters, relaxation of Merit Scholarship criteria and various other pro-scholarship schemes
