### Request for Expression of Interest (REOI) for BdREN IT Engineer/Technical Support Team (TST) Consultant (Management) (Package: S-7)

The Government of the People's Republic of Bangladesh has undertaken the Higher Education Quality Enhancement Project (HEQEP) with the support of the International Development Association (IDA). The University Grants Commission (UGC) of Bangladesh is the implementing agency of the Project. One of the main components is to disenclose Bangladesh universities and to integrate them with the world of knowledge through the establishment of a Bangladesh Research and Education Network (BdREN). A part of the IDA fund will be utilized for payments of BdREN IT Engineer/Technical Support Team (TST) Consultant (Management) who will provide technical assistance to UGC/HEQEP for the establishment of BdREN and its maintenance.

- The Terms of Reference and other relevant information are available in the web address: [www.heqep-ugc.gov.bd](http://www.heqep-ugc.gov.bd). Interested applicant may get detailed information and related documents i.e. the Terms of Reference (ToR) from the office of the undersigned during office hours on or before May 06, 2012.
- Consultant will be short-listed using the criteria; i) Educational qualification, ii) Professional experience in related field, iii) Overall job experience; in accordance with Public Procurement Act, 2006 and Public Procurement Rules, 2008.
- Qualifications and Experience of BdREN IT Engineer/Technical Support Team (TST) Consultant (Management):
  - At least B.Sc (Eng.) in Electrical/Computer Science/Electronics/ICT/Telecommunication or M.Sc in Applied Physics/Computer Science from a reputed university of Bangladesh or abroad. PhD will be treated as added qualification.
  - At least four years experience in a senior management position.
  - Experience in operation and maintenance of large network, systems design and data transmission involving optical fiber.
  - Knowledge of and demonstrated experience in management of contracts and procurement of network equipment.
  - Work experience in a commercial environment, with negotiation skills and experience on bandwidth procurement and leasing of infrastructure.
- The expected duration of the assignment will be approximately 18 person months starting from July, 2012 and continuing up to December 31, 2013. However, the duration may be increased or decreased based on the performance and needs of the project.
- Expression of Interest shall have to be submitted on or before 4:00pm, May 07, 2012 in sealed envelope to the Project Director, HEQEP, and be clearly marked "Expressions of Interest for BdREN IT Engineer/Technical Support Team (TST) Consultant (Management)". Applications should be submitted directly or sent via post/email at the address of the undersigned and should reach the undersigned before the stipulated time. Applications through e-mail should preferably have the same text in the subject line of the e-mail.
- The applicants shall submit supporting documents (i.e. certificates, references) in favour of their experience and qualifications along with the EOI. HEQEP may verify these documents if deemed necessary.
- The authority reserves the right to accept or reject all EOIs.
