JOB OPPORTUNITY - FOR LEADERS

UCEP Bangladesh Underprivileged Children's Educational Program (UCEP) Bangladesh is a unique program of unparalleled success that empowers working children from urban slums. UCEP imparts both

general and technical education followed by job placement to over 40,000 children enrolled in its schools resulting in an average wage increase of 400%. This employable skills training enables these boys and girls to build a decent future for themselves and for their families. In the past 4 years, UCEP has grown over 100%. In the decade, UCEP plans to continue this

growth rate and work to increased self-dependency. To achieve this plan, UCEP invites dynamic and results-oriented Leaders in the Senior Position below.

Manager, Integrated General and Vocational Education

Major Responsibilities To support and assist Director Programs in all respects of planning, implementation and

managing the UCEP's Integrated General and Vocational Education programs in Bangladesh. Summary of the main tasks

- To assist the authority in development and implementation of UCEP Integrated General and Vocational Education program. To develop and review UCEP curricula, syllabi and lesson plans periodically and suggest
- measures for improvement. To identify, develop and implement new initiatives for strengthening UCEP program.
- To ensure that approved IGVE programs are implemented properly.

To prepare work plan, monitor implementation, critically analyze and evaluate quality the IGVE

- program, apply data in decision making, and innovate further improvement in IGVE program.
- To supervise the day-to-day management of the IGVE program and implementation in regions.
- To take initiative for development of educational materials and implementation.
- To prepare budget for implementation of educational program.
- To manage, supervise and undertake staff development activities. To carry out other relevant tasks assigned by the UCEP authority as and when required.

Experience and Educational Qualification: 7/8 years experience in analyzing quality of work/using data for decision-

- making/managing implementation of development programs, preferably education programs in NGO sector. Must have experience in development of curriculum and teaching aid.
- Masters in Business Administration/English/Mathematics/any subject of Social Sciences preferably with B. Ed./M. Ed. from any recognized university with good academic background.

Salary and Benefits: Attractive salary and benefits to commensurate with talent and experience

Mail your CV to the Executive Director, UCEP Bangladesh at the email address:

career@ucepbd.org on or before 20 May 2012. Only short-listed candidates will be

d. Posses leadership qualities and demonstrated capabilities in data based management

contacted. The Authority reserves the right to accept or reject any application without assigning any reason whatsoever. Female candidates are especially encouraged to apply

Request for any candidates will be taken as candidate's disqualification.
