Yet the plural of moose should never be meese.
You may find a lone mouse or a whole set of mice,
Yet the plural of house is houses not hie.
If the plural of man is always called men,
Why shouldn't the plural of pan be called pen?
If I speak of a foot and you show me your feet,
And I give you a boot, would a pair be called beet?
If one is a tooth and a whole set are teeth,
Why shouldn't the plural of booth be called beeth?
