Dhaka Water Supply and Sewerage Authority (DWASA) Dhaka Water Supply and Sanitation Project (DWSSP) Credit No. 4506-BD

Memo No: 1167/DWSSP

Dated: June 17, 2012

Request for Expressions of Interest (Revised) for Consultancy Services

1. The Government of the People's Republic of Bangladesh (GOB) has received a credit from the International Development Association (IDA) towards the cost of 'Dhaka Water Supply and Sanitation Project' (DWSSP), to be implemented by Dhaka Water Supply and Sewerage Authority (DWASA) within the period of November 2008 to June 2013, and intends to apply a part of the proceeds of this credit to pay for the 'Consultancy Services to Provide Annual Technical, Financial and Operational Performance Audits and Reviews of Progress under GOB-DWASA Performance Agreement (Contract Package No. S-17D).

Dhaka Water Supply and Sanitation Project (DWSSP) will execute: i. Physical Works

o Up-gradation and rehabilitation of the drainage canals and two storm water pumping stations for improvement of drainage system in Dhaka City.

 Development & rehabilitation of sewer lines, rehabilitation of sewer lift station and rehabilitation & augmentation of treatment capacity of Pagla Sewage Treatment Plant for improving the city's sewerage system.

 Water Supply and Sanitation Facilities to Low Income Community (LIC) ii. Consultancy Services

Update/prepare a Waste Water Management Master Plan (WWMMP) for Dhaka

Update/prepare a Storm Water Drainage Master Plan for Dhaka City.

 Preparation of DD/BD for providing water and sanitation facilities to the low income communities.

 Environmental management and social safeguard and Institutional capacity building.

3. It is worthwhile to mention here that a Performance Agreement (PA) was signed between the GOB and DWASA in 2008 that contains predetermined targets established on a yearly basis for subsequent five year period. The PA requires that DWASA reports, within three months after the end of the fiscal year, the actual value achieved during the previous year and justification for any update of the targets, if necessary. Also as a part of the obligations under the Financing Agreement of IDA Funded Dhaka Water Supply and Sanitation Project (DWSSP), DWASA is required to furnish to IDA the result of the annual financial and technical audit of the PA within six months of the closing of the fiscal year.

4. The overall objectives of this assignment are to carryout:

 Independent technical, financial and operational performance audit and reporting on DWASA's achievement of annual targets established under key performance indicators set out in the Performance Agreement. Compliance with these targets is key to improve the operational efficiency and financial sustainability of DWASA so that the authority can meet the needs of current and future population of Dhaka, without recourse to GOB financial and budgetary support.

 Recommending measures for improving the technical, financial and operational performance of DWASA.

5. It is intended that the assignment will be undertaken by a management and engineering consultancy firm with experience in technical, financial and operational performance audits and quality assurance, particularly with respect to water supply and sewerage services. The team proposed must have practical experience of utility performance audits.

6. Firms/consultants may form a consortium with other firms capable of undertaking either the financial or technical/operational performance audit component of the assignment, or may sub-contract the financial or technical audits to an accounting firm or engineering consulting firm, as the case may be. Firms must have experience of 10 (ten) years with experience of technical, financial and operational performance audits of at least 2 (two) water utilities. Firms with experience only in financial auditing need not express interest, as this is a not a DWASA entity audit assignment.

7. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). The EOI would be reviewed on the basis of the following to prepare a short list.

Registration of the consultancy firm

Age of the consultancy firm in business

 Availability of the key professionals Availability of resources

Experience of the consultancy firm in similar tasks

Experience of the consultancy firm in other tasks Support services of the consultancy firm.

8. Consultants may associate to enhance their qualification, but should mention whether the association is in the form of a "joint-venture" or of "sub-consultancy". In the case of an association, all members of such "association" should have real and well-defined inputs to the assignment and in such "association" it is preferable to limit the total number of firms including the associates to a maximum of four.

9. The consultant will be selected in accordance with the procedure set out in the World Bank Guidelines: Selection and Employment of Consultants by World Bank Borrowers published by the bank in May 2004 and revised in October 2006 and May 2010.

10. It is expected that the services will be commenced in December 2012 (revise date) and shall be completed in December 2014. Interested consultant may obtain further information from the office of the undersigned from 0900 to 1300 hours (except holidays).

11. Expression of Interest must be delivered to the address below by July 22, 2012 (revise date). EOIs received after the last date of submission will not be considered for short listing. DWASA will not be responsible for any delay in submission including delay due to postal or any other reason. The authority reserves the right to accept or reject any or all EOI proposals either in part or in full without assigning any reason, whatsoever.
