**CALL FOR CLIMATE CHANGE ADAPTIVE RESEARCH PROPOSALS**

Funded by the Danish International Development Assistance (Danida), the Agriculture Sector Program Support (ASPS II) has extensive field activities within the crop, livestock, fisheries, and rural road sub-sectors and involves a range of stakeholders, including extension services, research agencies, Community Based Organizations (CBOs), Farmer Clubs/Groups, Local Contracting Societies (LCSs) and the private sector. Further, ASPS II supports decentralized, integrated and demand-driven approaches to agriculture extension service delivery. Under ASPS II a Program Support Unit (PSU) was set up at the Planning Commission (PC). The PSU/PC invites climate change adaptive research proposals from public and private institutions/organizations including universities, research institutions, civil society organizations including NGOs to provide grant funding. The research proposals should be demand-driven and should involve ASPS II target groups (poor marginal and small farmers). The research proposals need to have a focus on issue(s) related to climate change and preferably, be conducted in geographic locations that are relatively vulnerable to climate change. Research containing elements of testing of newly developed climate smart technologies/practices for wider use by the farming community will have preference. Expected results of the research should have potentials of immediate use by small and marginal farmers. Project proposals must fall under the following four headings: (A) Crop, (B) Fisheries, (C) Livestock and (D) Cross cutting and socio-economic. Format to develop research proposal can be collected from PSU/PC, Room number 18, Block Number 17, Planning Commission, Sher-e-Bangla Nagar, Dhaka-1207, Tel: 9180643, 9180644 during office hours. The period of research should not be more than 8 months (from September 2012 to April 2013). Interested and eligible Government and Non-Governmental Organizations, Universities and Private Research Organizations, with excellence in research, are invited to submit a research proposal. Collaborative/joint research with national and international research organizations will have preference. A research proposal should have a maximum estimated budget of BDT 12 lakh. The applicant organization is to ensure payment of income tax and value added tax (as applicable as per GoB rules). The deadline for submission of the research proposal is 07 August 2012 at 16 hrs delivered by mail or courier in three hard copies (one original and two copies) in a sealed envelope to the following address: **National Program Adviser, Room Number 18, Block Number 17, Program Support Unit, Planning Commission, Sher-e-Bangla Nagar, Dhaka-1207**. Incomplete applications, late submissions and failure to comply with the above-mentioned guidelines and prescribed formats will lead to rejection. PSU/PC reserves the right to reject any/all proposals without assigning any reasons whatsoever.
