

My daughter Nusrat Islam, age 13 years, has been suffering from different critical disease including TV meningitis for last 4 years. Most of her body is disabled and both of her eyes are almost blind. She needs better treatment to survive. Although we, both of her parents, are in teaching profession. We have managed her treatment and right now she needs treatment from abroad but we haven't sound financial capability. So, we are seeking help from the kind hearted and affluent persons of the society.
