BIMAN FLIGHT DEBACLE

Passengers stage rowdy protests

STAFF CORRESPONDENT

Biman passengers yesterday resorted to violent protests at the airport vandalising glasses of a counter of the national carrier in the wake of total collapse in flight schedules.

Biman authorities however made an unconditional apology to the passengers, many of whom remained stuck at Shahjalal International Airport for the last three days.

The authorities requested the passengers to keep patience until September 24 as they have no means at hand to restore discipline in flight schedule now.

Amid the chaotic situation, Biman yesterday started ferrying Bangladeshi pilgrims to Saudi Arabia for the Hajj this year.

Witnesses said Biman staff beat up one of the passengers, who gathered at the counter to protest against

New protests over anti-Islam film

2 killed in Pakistan during clash with police

AGENCIES

Protesters in Afghanistan, Indonesia and Pakistan burnt US flags and chanted "Death to America" yesterday in renewed demonstrations over an anti-Islam film that already has provoked a week of unrest in Muslim world.

Indonesian police fired teargas and water cannon to disperse hundreds of demonstrators who massed outside the US embassy in Jakarta.

Police were seen kicking or dragging away some of the protesters, while one policeman was taken away in an ambulance with his face bleeding.

Many of the protesters were supporters of hardline Islamic groups and were dressed in identical white Muslim garb, an AFP reporter saw.

In Kabul, thousands of protesters took to the streets, setting fire to cars and shops and throwing stones at police.

Two protesters died in Pakistan as angry demonstrators clashed with police, hurling stones and shouting: "Death to America."

Around 500 angry protesters in the eastern Pakistani city of Lahore tried to reach the US consulate but were driven back by police with tear gas.
