Appointment of Individual Consultant (Local)

(Package No. SD3)

Re-Advertisement

The Government of the People's Republic of Bangladesh has undertaken a Project for Preparatory Functions and Supervision in Launching Bangabandhu Satellite. The Bangladesh Telecommunication Regulatory Commission (BTRC) is the implementing agency of the Project at its own cost. The main components of this project are consultancy services. BTRC has already appointed a US based foreign consultant firm to support the project. Now BTRC is going to appoint Individual Consultant from Bangladeshi Nationals to assist in implementation of the Project. The key objective of this assignment is to ensure that the project is implemented within the time schedule and that there is a transfer of knowhow to the staff of BTRC.

The qualifications, experience and Terms of Reference (TOR) of the individual consultant and other relevant information are available in the BTRC website: www.btrc.gov.bd. Interested applicants may get detailed information from the website.

1. Name of the Post and Quantity:

Consultant (Frequency Coordination)	01
Consultant (Satellite Spacecraft)	01
Consultant (Satellite Launch Vehicle)	01

2. Brief Job Description: The Consultants will assist the Project Director and the Senior Consultant (Project Implementation Specialist) in efficient overall implementation of the project and ensuring smooth implementation of each activity according to the Project Implementation Plan.

3. The Consultant (Frequency Coordination) will assist to review of foreign consultant's report regarding the current filings related to proposed Satellite that are publicly available through the ITU-R filings database and ITU-R website.

4. The Consultant (Satellite Space Craft) and the Consultant (Satellite Launch Vehicle) will assist in all aspects of Satellite Construction and Technical Monitoring.

5. Duration: The expected duration of each of the Consultants will be for a period of 30 months. However, the initial agreement will be for 01 (one) year and each year will be extended based on their performance and needs of the project.
