People from all walks of life, including students of seven educational institutions and leaders of local Nagorik Committee (citizen's body), took part in the human chain at Kaliganj bus stand.

Erosion victims form human chain on Jamuna bank

OUR CORRESPONDENT, Gaibandha

Several thousand people formed a four-kilometre-long (Kachua Bazaar to Bharatkhal) human chain on the bank of the Jamuna in Saghata upazila of the district yesterday demanding immediate steps to stop erosion by the river that continues to devour the area.

Organised by 'Saghata River Erosion Protection Committee,' lawmaker Advocate Fazley Rabbi Mia, of Gaibandha-5 constituency, also joined the programme that lasted for four hours from 9:00 am.

Expressing solidarity with the erosion-hit people, the lawmaker said he will immediately urge the authorities concerned to make all efforts to protect the area

from onslaught of the river.

Members of the committee later submitted a memorandum to the prime minister through the deputy commissioner, requesting her to save Saghata people from river erosion.

Shamsul Azad, chairman Bharatkhal Union Parishad (UP), said houses of around 200 families at two cluster villages--Utter Sathalia and Gobindi--have already gone into the river while over 1200 other families in the union are shifting their household belongings to safer places as erosion has taken an alarming turn in the area.

At least 26 educational institutions, including Bharatkhal Government Primary School, Bashhata Government Primary School, Gobindi Government Primary School and Kachua Hat Girls' High

School, are under the threat of erosion by the Jamuna, said Mosharrif Hossain Sweet, chairman Sahgata Sadar Union Parishad.

Faruqul Islam, convener of 'Shaghata River Erosion Protection Committee,' said they will besiege the deputy commissioner's office next week to mount pressure on the government to take immediate measures to stop river erosion.

Teachers of Rokeya university go on class boycott

OUR CORRESPONDENT, Rangpur

Academic activities at Begum Rokeya University, Rangpur came to a halt yesterday as teachers started indefinite class boycott, demanding expulsion of two students who 'assaulted' one of their colleagues.

They brought out a silent procession on the campus to realise the demand and then held a press conference at the teachers' association hall room.

At the press conference, Dr. Sharifa Salwa Dina, president of the association, said they would continue to boycott classes until the demand was met.

All academic activities except for the admission process for 2012-13 sessions would be suspended, she said.

Prof Gazi Mazharul Anwar, general secretary of the association, said they would also boycott the programmes to observe the 4th founding anniversary of

the university today.

Imtiyaz Alam Basunia and Titas Chandra Roy, students of statistics and marketing departments assaulted Abdul Latif, lecturer of chemistry department, during an inter-department football match on the campus on Tuesday afternoon.

Earlier, Abdul Latif slapped Imtiyaz as he misbehaved with the students of chemistry department, sources said.

Protesting the attack on Latif, the teachers' association at the university held an emergency meeting on Wednesday where the decision for class boycott was taken.

The students also boycotted classes and examinations yesterday, protesting assault on the student.

Additional police have been deployed on the campus to avert further trouble, said vice chancellor Abdul Jalil Miah.
