

ABM Mohiuddin gets death threat

STAFF CORRESPONDENT, Ctg

Former Chittagong City Corporation mayor ABM Mohiuddin Chowdhury and his personal secretary (PS) Osman Gani got death threat on Friday night.

Police sources said Osman lodged a general dairy (GD) with Panchlaish Police Station in this regard around 12:30am yesterday.

While talking to The Daily Star Osman told that a man, who mentioned his name Nowshad Mahmud Rana, called him over mobile phone around 10:26pm for three times on Friday. The number, from which the call came, was 01716200240.

"When I received the call, Rana rebuked me very much and threatened to kill both me and ABM Mohiuddin, president of Awami League (AL) of Chittagong Metropolitan unit," said Osman Gani.

"Following the incident, I informed my sir of the matter over the phone as he went to Saudi Arabia on October 2 for performing hajj and he instructed me to inform the police of the matter," he added.

Manjur Morshed, assistant commissioner of Panchlaish zone in Chittagong Metropolitan Police, said police are investigating the matter.

Despite repeated attempts, the above mentioned phone number could not be reached yesterday.

DoE foils lake grabbing move

STAFF CORRESPONDENT

The Department of Environment (DoE) yesterday stopped a move for grabbing Rupnagar Lake in the capital's Pallabi area.

A DoE enforcement team found that Pallabi Arambagh Kalyan Samity was developing the Lake's a chunk of 13-katha land, owned by National Housing Authority, in the name of making it an Eidgah field, said a press release.

DoE Director Mohammad Munir Chowdhury said they summoned the Samity's two members Abdul Quayum and Lutfur Rahman.

Both of them admitted that the portion of the land was a part of the lake, he said.

Contacted, Quayum said the chunk of the land was filled-up over the time. They were developing it following an instruction by the local lawmaker for holding the upcoming Eid-ul-Azha prayers there.

"The lawmaker asked us to take care of the ground and he himself inaugurated it as an Eidgah field during the last Eid-ul-Fitr," Quayum said.

"He [the lawmaker] also said that he would manage the official permission for the land," he said.

Despite efforts, the lawmaker could not be contacted over the cellphone.

China ready to boost relation Says top-ranking CPC leader

STAFF CORRESPONDENT

A top leader of the Communist Party of China (CPC) yesterday said China is ready to enhance cooperation with Bangladesh in the UN, Saarc and Asean regional forums to safeguard peace, stability and prosperity.

Li Changchun, fifth top member of CPC's Political Bureau Standing Committee, said they want to expand cooperation with Bangladesh in culture, education, science, technology, media, and tourism sectors.

Leading an eight-member high-powered CPC delegation at the ruling Awami League's invitation, he said these at a dinner at a Dhaka hotel with leaders of AL, BNP, Jatiya Party and others. Li said they would increase Chinese government scholarships for Bangladeshi students from 160 to 250 and want to set up computer and technology institutions in Bangladeshi universities.

At the dinner, Home Minister MK Alamgir sought Chinese cooperation in building "Digital Bangladesh".

AL Joint General Secretary Mahbubul Alam Hanif said the visit considered a most important one focuses on strengthening China's relations with Bangladesh and AL.

Before leaving for Beijing today, Li will meet the president, prime minister, and opposition leader and sign an economic and technical cooperation agreement and MoU on strengthening cooperation in the power sector.

Stop to Rampal power plant project demanded

STAFF CORRESPONDENT

Speakers at a press conference yesterday demanded that the government stops the project to set up a coal-based thermal power plant at Rampal upazila of Bagerhat, adjacent to the Sundarbans.

They emphasised conducting an international Environmental Impact Assessment (EIA) and make public the details of the project to assess its positive and negative aspects.

An agreement was signed on January 29 with India's state-run National Thermal Power Corporation to set up the 1,300-megawatt plant at Rampal, 14 km from the world's largest mangrove forest.

The press conference, "Rampal thermal power plant's possible impacts on the Sundarbans and adjacent areas", was organised by eight NGOs at Jatiya Press Club.

The NGOs are Bangladesh Poribesh Andolon (Bapa), Transparency International Bangladesh (TIB), Bangladesh Environmental Lawyers Association (Bela), Center for Human Rights Movement, Save the Sundarbans Foundation, Krishijami Rakha Committee, Bagerhat Unnayan Commission, and Green Voice.

Bela Chief Executive Advocate Syeda Rizwana Hasan alleged that the government started acquiring land before completing the EIA and without giving due consideration to environment clearance certificates.

The government's activities prove it is more concerned to ensure India's interests, said Prof Asif Nazrul of Dhaka University.

LEADS
delivers excellence

Career Opportunity

TERADATA

LEADS Corporation Ltd. is looking to hire a Solution Architect and an Account Director - Sales for its TERADATA business. The Incumbent will support Teradata pre and post sales efforts.
