USAID | Position Vacancy Announcement
The Project Management Specialist (Energy) provides expert advice and services to support the USAID Economic Growth (EG) office in planning, implementing, managing, and monitoring the Mission's energy portfolio. The incumbent will be hired to initially provide support to the team in program design, management, monitoring and other tasks as assigned. However, s/he is expected to eventually become the leader of the mission's energy program and senior technical advisor to the mission management on all matters pertaining to national and regional energy markets and regulation, climate change, clean energy, and energy efficiency. As directed by the mission management the incumbent will represent USAID to the highest level of the Government of Bangladesh (GOB), donor agencies and the business community. S/he assists mission management in negotiating with the GOB, other donors, and/or NGOs regarding the energy sector, regulatory reform, cross-border energy trade and energy market development.
a. **Education:** Minimum Bachelor's degree in energy related discipline is required.
b. **Prior Work Experience:** Three to five years of progressively responsible experience in program management in energy sector is required. Experience in energy sector policy development and institutional capacity building is desired.
c. **Language Proficiency:** The incumbent must demonstrate proficiency in spoken and written English at Level IV (fluent) and must be fluent in spoken and written Bangla.
d. **Knowledge:** The incumbent must have a clear understanding of Bangladesh government priorities in energy, climate change, and economic growth. Knowledge of Global Climate Change, Low Emissions Development, economic growth and energy issues in South Asian and Bangladesh contexts, as well as USG strategy in these areas is essential.
e. **Skills and Abilities:** The incumbent must have an ability to learn quickly and progressively take on greater responsibility for portfolio management and leading role for the Mission's energy portfolio. S/he must be capable to present complex and controversial findings and recommendations to the different audiences and be able to communicate effectively through oral presentations and briefings, written reporting and analysis, and information technology tools. Must have strong project management skills and budget management ability. Ability to analyze program needs in the energy sector and how USAID assistance can be targeted.
f. **Closing date:** November 10, 2012.
Interested Bangladeshi qualified candidates are requested to submit the completed "OF-612" Form or a plain resume along with a cover letter. Blank application forms are available at the South barrier (near the Vatican Embassy). One of the following options may be used to drop applications:
• General Post Office (GPO) Box No. 2593, Ramna, Dhaka
• By hand with No Sealed Envelope
Only short-listed candidates will be notified. For detailed information visit USAID/Bangladesh website <http://www.usaid.gov/bd/employment.html> and www.bdjobs.com
