**Request for Expression of Interest (REOI) for Services for Fostering Community Participation in Heritage Management and Tourism (FCP&HMT) Activities under South Asia Tourism Infrastructure Development Project-SATIDP (Bangladesh Portion) Package No. BPC/SATIDP/5-02**

- The People's Republic of Bangladesh (GOB) has received a loan 2580-BAN(SF) from Special Funds resources of the Asian Development Bank (ADB) towards the cost of South Asia Tourism Infrastructure Development Project - SATIDP (Bangladesh Portion), and intends to apply a portion of the proceeds of this loan to eligible payments for the services for which this Request for Expression of Interest (REOI) is issued. This assignment will be jointly financed by ADB and GOB. The terms and conditions of the contract and payments by ADB will be subject to the terms and conditions of the Loan Agreement, including the "Guidelines on the Use of Consultants by Asian Development Bank and its Borrowers". Except as ADB may specifically otherwise agree, no party other than GOB shall derive any right from the loan or have any claim to the proceeds of the loan.
- The project aims at developing and improving tourism related infrastructure in Bangladesh. The main objectives of the project are to: i) improve access, destination infrastructure and services in nature and culture-based key tourism sites located along a heritage-rich geographic corridor extending from north to the south in the western regions of Bangladesh; ii) build the capacities of sector agencies for sustainable protection and management (including organizational and financial) of natural and cultural heritage sites as well as tourism-related infrastructure and assets, tourism planning, coordination, monitoring and marketing; and iii) strengthen linkages between tourism and local population, and build the capacity of communities to enable them to obtain greater benefits from tourism.
- As the Implementing Agency (IA) for the project, Bangladesh Parjatan Corporation (BPC) under the Ministry of Civil Aviation and Tourism (MOCAT) now invites Non-Government Organizations (NGOs) with adequate (preferably five years) relevant experience to submit Expressions of Interest (EOI) for providing services for Fostering Community Participation in Heritage Management and Tourism (FCPIHMT) activities for South Asia Tourism Infrastructure Development Project (SATIDP) (Bangladesh Component).
- The FCPIHMT package will involve anticipated 57 person months of national experts as key professionals. The NGO will be selected through ADB's Guidelines on The Use of Consultants by Asian Development Bank and its Borrowers. The duration of the services contract is expected to be about 18 months commencing tentatively from December 2012.
- The NGO will assist BPC to assist to (i) gain the support and contribution of local communities in cultural heritage site protection and management and (ii) enhance the capacity of local communities, specially the poor, to maximize the benefits from the proposed tourism development. A qualified NGO with demonstrated understanding of pro-poor tourism development will be selected and recruited by BPC in accordance with ADB's relevant procurement procedures. To be qualified, the NGO must (i) have a history of work with local communities and evidence of satisfactory performance, (ii) be able to link the community groups/organizations with microfinance organizations and have a track record of preferably 5 years of managing and implementing successful microfinance programs, (iii) have familiarity with participatory development approach and demonstrated understanding of community-based development (iv) have the capacity to develop and implement a sustainable pilot demonstration scheme for tourism-based livelihood generation, (v) capacity to co-opt beneficiary participation and (vi) have committed leadership and adequate management.
- EOIs may be submitted by an NGO in association or joint venture (JV) with one or more appropriate partners. A national entity can only participate in one EOI as a lead partner; however, can be nominated in more than one EOI as associate or partner. To avoid confusion and possible elimination during evaluation, lead entities of associations or joint ventures are strongly advised to confirm relationships (exclusive or non-exclusive) with selected associates or partners prior to expressing interest.
- The EOI must be submitted electronically through ADB web site (<http://cms.adb.org>). Submission deadline is 11:59 PM Manila Time (GMT+8) on 22 November 2012. The advertisement and information such as: Terms of Reference and supplementary information are available in ADB web site (<http://cms.adb.org>) under 'Regional/project category'. ADB will carry out the recruitment up to the contract negotiations, following ADB's Guidelines on The Use of Consultants by Asian Development Bank and its Borrowers.
