Dhaka wants strong ties with Laos: PM

BSS, Vientiane, Laos

Prime Minister Sheikh Hasina yesterday said Bangladesh wants to build a strong partnership with Laos and other Southeast Asian countries to face common challenges of globalisation, world economic meltdown and climate change.

"The developing Asian countries are experiencing common challenges of globalisation, world economic meltdown and climate change. My aim is, therefore, to build a strong partnership between Bangladesh and Laos as well as other countries in Southeast Asia to face these challenges," she said.

Sheikh Hasina said this while addressing a lunch hosted in her honour by Laotian Prime Minister Thongsing Thammavong here.

The prime minister observed that Laos may possibly get benefit from Bangladesh's connectivity with India, Nepal, Bhutan and China, and the combined market of over three billion people.

"Moreover, Bangladesh's strategic location, connecting South Asia and Southeast Asia and having sea, air and land links could provide Laos access to the region," she said.

Hasina warmly invited Laotian entrepreneurs to come and consider possibilities of investment in Bangladesh.

She said the situation was ideal for Laotian businessmen to come and do business in Bangladesh.

She said, Laos could import quality pharmaceuticals now being exported to 93 countries, ceramics and porcelain now going to 61 destinations in Europe, Americas, Africa and Asia, readymade garments, textiles, leather and footwear.

The prime minister sought Laotian support for Bangladesh's entry into the Mekong-Ganges Cooperation Initiative, the East-West Economic Corridor, and in becoming an Asean Dialogue Partner.

Sheikh Hasina invited the Laotian prime minister and his wife to visit Bangladesh.

SAYEDEE'S TRIAL

Defence witness 'illegally detained'

Claims petition

STAFF CORRESPONDENT

A writ petition was filed with the High Court yesterday challenging the legality of alleged detention of Shukho Ranjan Bali, a defence witness of Jamaat-e-Islami leader Delawar Hossain Sayedee.

Abul Kalam Azad, Ranjan's friend, submitted the petition seeking directives from the HC on the government to produce Ranjan before the court to show that he was not illegally detained.

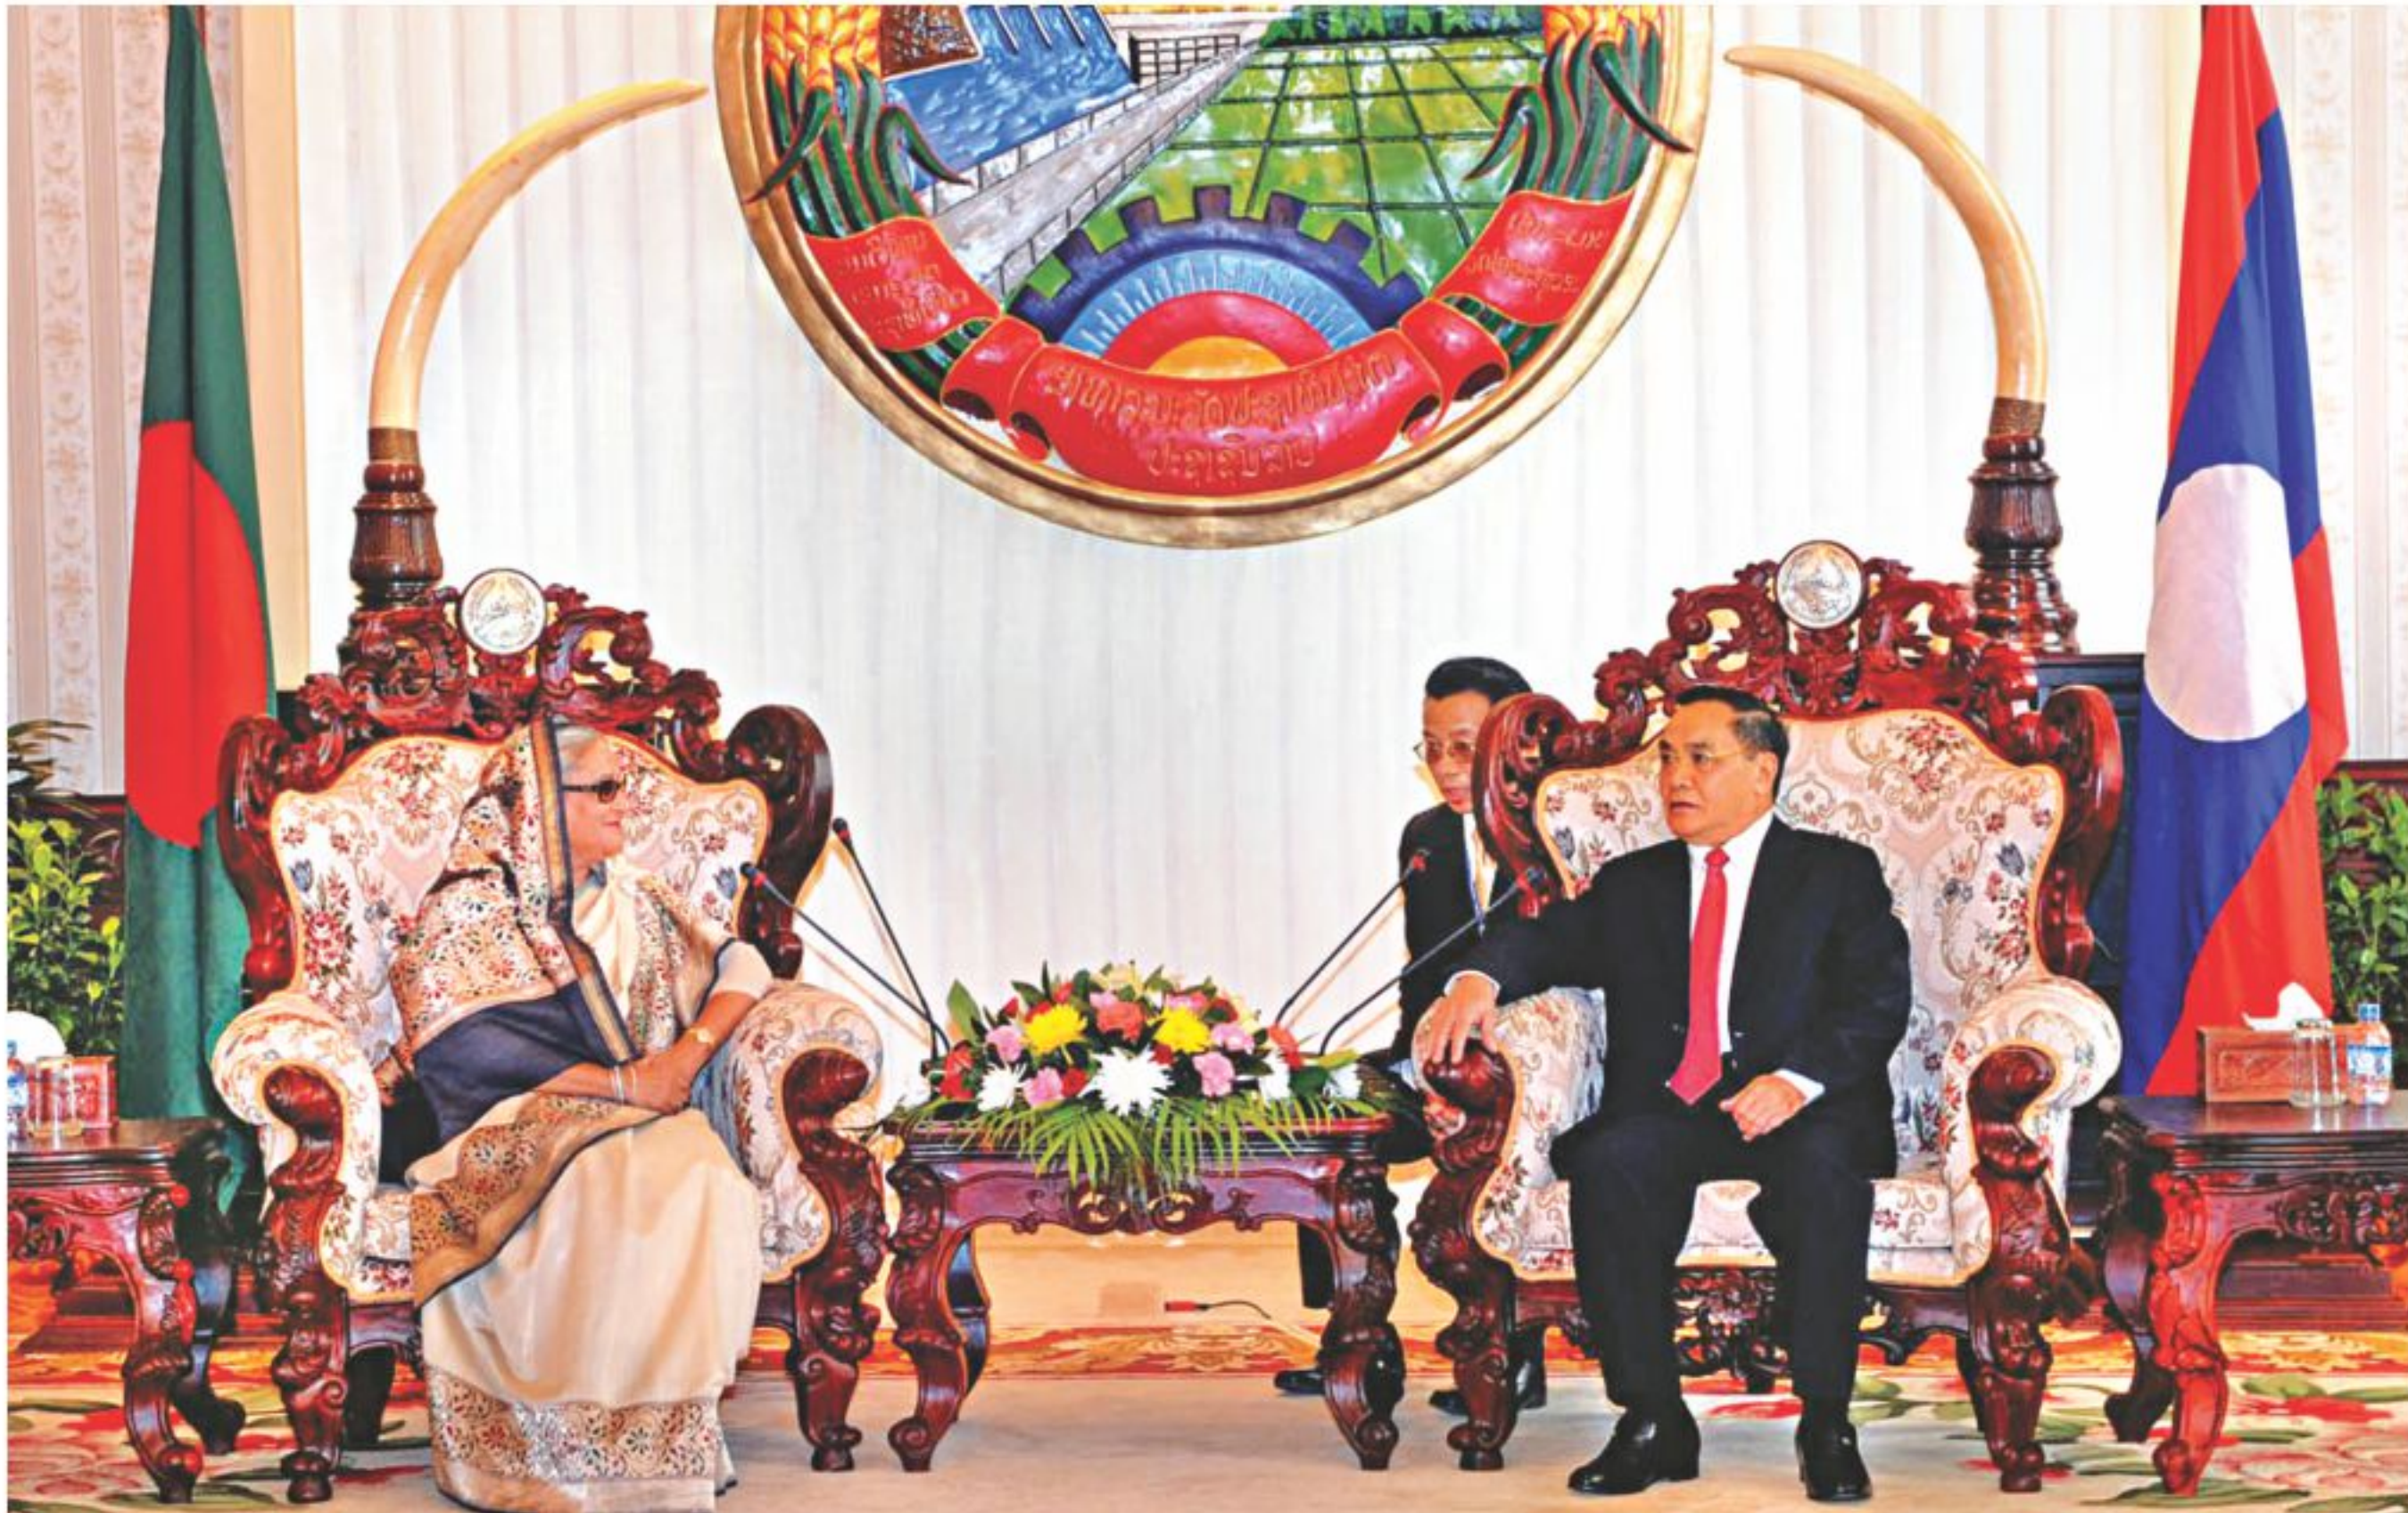

Azad claimed in the petition that Ranjan, who was in a vehicle with him, had been "abducted by a group of plainclothes police" in front of the main entrance of the International Crimes Tribunal-1 on November 5.

The policemen dragged Ranjan to another car and left with him, he said.

Advocate Tajul Islam, a counsel for the petitioner, told The Daily Star that law enforcers have been keeping Ranjan in custody illegally, as police did not produce him before any magistrate within 24 hours of detaining him.

As per constitutional provision, law enforcers have to produce detainees before a magistrate within 24 hours of detaining them, he added.

The court fixed November 11 for hearing the petition.
