HALL-MARK LOAN SCAM

Ex-directors of Sonali also guilty

Just past board of the bank approved Tk 65cr loan

SAJJADUR RAHMAN

The immediate past board of directors of Sonali Bank approved a Tk 65.41 crore project loan for controversial Hall-Mark Group, which shows that the board was responsible, at least partly, for the Hall-Mark loan scam.

Of the amount, Tk 57 crore has already been disbursed, according to Sonali Bank.

The board approved the loan in April last year when Hall-Mark's liabilities to the state-owned bank was around Tk 500 crore, show documents.

"Had the board played its due role, the scam could have been detected much earlier," Awami League lawmaker Tajul Islam, head of a parliamentary committee probing the Hall-Mark loan scam, told

The Daily Star on Thursday.

He said the bulk of the Tk 2,686 crore Hall-Mark loan was disbursed in three months till April this year.

The lawmaker said the board had the scope for discussing these issues in detail in its monthly meeting, but it didn't.

"The board did not hide the issue from us... Tk 65 crore is very insignificant considering the size of the total amount of the loan," said Tajul.

A Bangladesh Bank report revealed the scam in May, and said Hall-Mark along with five other companies took away Tk 3,547 crore from Sonali Bank's Ruposhi Bangla Hotel branch between 2010 and this year with forged documents.

A Sonali Bank audit also found proof of

Attacks will only speed up war crimes trial

PM warns 'plotters'; threatens to try them under Sharia law, if need be

STAFF CORRESPONDENT

Prime Minister Sheikh Hasina yesterday said those attacking law enforcers and trying to hinder the war crimes trial could be tried under sharia.

"The more excesses they do, the faster will be the war crimes trials. There will be no let-up in the trials," she said.

The government knows how to deal with those who are attacking police and out to save the war criminals. Besides, there are even alternative means like sharia and qiyas to try them, she said.

The prime minister was addressing a meeting of the Awami League Central Working Committee at her Gono Bhaban residence.

Hasina, also president of the ruling AL, said attacking police would bring no good for Jamaat-Shibir.

Her comments follow a spate of attacks on the police by activists of Jamaat-e-Islami and its student body Islami Chhatra Shibir. The Islamist party has lately stepped up its demonstrations for a halt to the trials of its top brass on charges of war crimes.
