**FOR THE SAD ACCIDENT AT THE FLYOVER PROJECT AT BAHADDARHAAT IN CHITTAGONG**

**Expressing Sorrow**

We deeply mourn and sincerely regret the undesirable accident and loss of lives and materials at the CDA supervised Flyover Project at Bahaddarhaat in Chittagong Port City on 24<sup>th</sup> November, 2012. Carrying out construction work in such a busy area of Chittagong is extremely difficult, since restricting vehicular and human movements, as is the norm for such construction work, was not possible for either the Department or the contractor organization. Under these circumstances, we are largely dependent on the carefulness of all drivers and users of all types of vehicles plying the busy thoroughfare.

Therefore, whether it was the surrounding conditions, the malafide intent of miscreants or mechanical failure – in order to unearth the true reasons behind the accident and how it originated, we are placing our complete faith in and extending all our cooperation to the government formed investigation committee.

Meanwhile, we express our deepest condolences to the bereaved families of the deceased and fully extend our hands of cooperation to them and ensuring initial compensation of Tk.2 (Two) Lakh for each deceased's family. To ensure all treatment facilities and attain good health of all injured persons, we assure of our fullest support.

Finally, we are once again deeply regretful and mournful for the sad accident & ask everyone for their prayers and support.
