GD-4726

Government of the People's Republic of Bangladesh

Office of the Project Director

Secretariat for Bangladesh Climate Change Resilience Fund (BCCRF) Project

Ministry of Environment and Forests

101, Mohakhali, Dhaka-1212

No: MOEF/BCCRF/CCTA/02/2012/198

Date: 27/11/2012

Request for Expression of Interests (EOI) (2<sup>nd</sup> Call)

for

Climate Change Technical Advisor [Contract Package No. MOEF-S1]

1. The People's Republic of Bangladesh has received a grant [No. TF010526] administered by IDA in the amount of US\$ 0.2 million toward the cost of the Establishment of Secretariat for the Bangladesh Climate Change Resilience Fund project to be implemented by the Ministry of Environment and Forests (MOEF). The Ministry of Environment and Forests intends to apply part of the proceeds toward payments for the provision of consultancy services for the project by hiring a Climate Change Technical Advisor.

2. The specific objective of this consultancy is to fulfill three functions of the secretariat viz. (a) provide logistical support to the Governing Council and Management Committee of BCCRF, (b) provide advocacy, communications and coordination support to all agencies implementing activities funded by BCCRF, and to (c) develop a long-term plan to enhance the capacity of the MOEF to effectively manage climate change activities.

3. The broad tasks to meet the objectives of this consultancy will include, but not necessarily be limited to the following:  
(a) Assess and analyze the relevance of proposals submitted for access to BCCRF in line with the thematic areas of Bangladesh Climate Change Strategy and Action Plan (BCCSAP) of the Government, analyze linkages of various components and sub-components of the projects with climate change driven adaptation and mitigation responses, analyze costing of activities proposed under the project and their impact on building resilience of natural and built ecosystems in the longer horizon, coordinate all climate change activities undertaken by MOEF and all DPs to ensure consistency and avoid duplication, orienting BCCRF towards priority area of intervention;  
(b) Advocacy, Communications, and Coordination to (i) Ensure alignment and harmonization of the BCCRF and its potential partners and stakeholders with the BCCSAP, and provide cross-sector coordination; (ii) Conduct Advocacy and Knowledge dissemination for the BCCRF; (iii) Participate in national and international climate change events in Bangladesh, and keep updated on the activities carried out by other entities in the field of climate change; (iv) Inform prospective clients the BCCRF Implementation Manual; (v) Facilitate exchange of knowledge and share lessons learned on climate change activities and issues with external parties (vi) Support development of the website and other communication materials for public information using various media; (vii) Prepare materials and generate data on the BCCRF and arrange their production and dissemination using various mediums; (viii) Make logistical arrangements for public grant signing events, including the media, donors, and stakeholders;  
(c) Develop a plan for the smooth transition from donor administered climate resilience fund to BCCRF -- The CC Technical Advisor will prepare a strategy document on the readiness of MOEF to take over the management of BCCRF prior to the midterm review of BCCRF (scheduled for mid 2013). The Technical Advisor will also be part of the midterm review. Following the review, the Technical Advisor will work on the institutional development necessary to achieve the recommendations of the midterm review.

4. Key Qualifications-  
i. Master or Doctoral degree in Environmental Economics, Engineering, Water Resources Management, Economics, Environment or any other related fields;  
ii. Minimum 10 years of relevant work experience in environmental economics, climate change, water resources, hydrology and related fields with extensive work experience in hydrology of low lying deltas, coastal area management;  
iii. Solid body of publications in water resources, environment, climate change, engineering, hydrology or related fields;  
iv. Good understanding of international negotiations on climate change and their trends and UNFCCC system per se;  
v. Strong analytical skills and deep understanding of climate change linkages to development interventions for adaptation and mitigation in the country context;  
vi. A general understanding of public sector project preparation, project management, result-based monitoring and impact evaluation;  
vii. Ability to work independently and follow through on tasks;  
viii. Excellent oral and written fluency in English and Bangla;  
ix. Strong organizational, research/analytical, and presentation skills;  
x. Strong computer skills; proven ability to use standard and customized technology packages (Internet, Word, Lotus Notes, PowerPoint, Excel etc);  
xi. Excellent interpersonal problem-solving, diplomatic and team skills and proven ability to work across boundaries and interest groups;  
The Consultant shall perform the services for 18 man-months commencing from January, 2013 or any other period subsequently agreed upon by the parties in writing.  
The consultant will be selected in accordance with the procedures set out by the World Bank's Guidelines. "Selection and Employment of Consultants under IBRD Loans and IDA Credits and Grants by World Bank Borrowers dated January 2011".  
Expression of Interest (EOI) shall be submitted on or before 19 December, 2012 on weekdays during office hours either in sealed envelope (Senior Assistant Chief, Planning Section 3, Room 1304, Building 6, Ministry of Environment & Forests, Bangladesh Secretariat, Dhaka 1000) or through e-mail sent to Project Director, and be clearly marked Expressions of Interest for Climate Change Technical Advisor.  
The EOI should include consultant's CV and relevant supporting documents as a proof of experience and consultant's eligibility to undertake the assignment. The EOI should also include expected price (remuneration, reimbursable) excluding all levies deductible as per Government rules.  
The procuring entity reserves the right to accept or reject all EOIs.
