

# TOWARDS A GOLDEN BANGLADESH

**The Saidabad Water Treatment Plant Phase II is now open, inaugurated by our Hon'ble Prime Minister Sheikh Hasina.**

We congratulate the Government of the Kingdom of Denmark, the Government of the People's Republic of Bangladesh, DWASA and MT Hojgaard (Denmark) & Degremont (France)-J.V., the contractors, for the efficient completion of one of the largest civil engineering projects in the country.

This project, costing BDT 1140 Crore, will not only augment the water supply, but will also help in conservation of precious ground water, as 225,000 million litres of potable water will be processed from the river Sitalakhya everyday.

**We are proud to have supplied the entire quantity of 5397 tonnes of high yield strength, high ductility reinforcing steel (Xtreme 500W) for the project, conforming to the demanding UK standard BS4449 Grade 500C:2005 & Bangladesh standard BDS ISO 6935-2 Grade 500WC:2009.**
