

# THE JOY OF VICTORY

**B**RAVING the winter chill, a girl sits on her father's shoulder to take part in a procession as people from all walks of life through the National Memorial in Savar on the Victory Day. The 16th December brought light to darkness; a new sun rose above the horizon, signalling the birth of Bangladesh. Celebrating the 41st anniversary of victory in the Liberation War, people renewed their pledge to resist the fundamentalist and militant forces and called for speedy trial of war criminals. The photos were taken at National Memorial in Savar, the National Parade Square in old airport, and the Dilkusha area in the capital.
