26 cases approved

STAFF CORRESPONDENT

The Anti-Corruption Commission yesterday approved filing of 26 cases against several top officials of Sonali Bank and five business entities for misappropriating more than Tk 345 crore of depositors' money.

The cases may be filed on Monday under anti-money laundering and corruption prevention acts, said an ACC high-up asking not to be named.

The amount is a funded portion [an amount given in cash] of the Tk 3,547 crore credit that the five business firms and Hall-Mark Group swindled from Sonali Bank's Ruposhi Bangla Hotel branch with the help of some bank officials using forged documents between October last year and May this year, according to an ACC enquiry.

Several high-ups of the bank's Ruposhi Bangla Hotel branch will be accused in all 26 cases, said ACC sources.

If convicted, the accused might have to spend up to 10 years in prison, and their movable and immovable properties might also be confiscated.

The five firms are: T and Brothers, Paragon Knit Composite Ltd, DN Sports, Nakshi Knit and Composite Ltd, and Khanjahan Ali Sweater Ltd.

CLOSING ARGUMENTS IN MOLLAH'S WAR CRIMES CASE Plea for death penalty

STAFF CORRESPONDENT

The prosecution yesterday sought capital punishment for Jamaat-e-Islami leader Abdul Quader Mollah while completing its closing arguments in the crimes against humanity case at the International Crimes Tribunal-2.

"It is our opinion and assessment that the prosecution has successfully been able to prove the charges [against Mollah] beyond the shadow of any reasonable doubt and we plea for capital punishment under section 20 of the International Crimes (Tribunals) Act, 1973," said Mohammad Ali, conducting prosecutor of the case against Mollah.

Section 20 (2) of the act says, "Upon conviction of an accused person, the tribunal shall award sentence of death or such other punishment proportionate to the

gravity of the crimes as appears to the tribunal to be just and proper."

The three-member Tribunal-2, led by Justice Obaidul Hassan with members Justice Mozibur Rahman Miah and Judge M Shahinur Islam, fixed January 7 for recording the defence's closing arguments.

Prosecution may reply to the defence's arguments if they feel the need.

The tribunal would deliver its verdict after summation of arguments of the prosecution and the defence.

On May 28, the tribunal indicted the Jamaat assistant secretary general with six specific charges of crimes against humanity committed during the Liberation War.

Twelve prosecution witnesses, including two investigations officers, testified supporting the charges while six

Bad news for latecomers

Mamata govt posts hidden cameras to monitor employees

TNN, Kolkata

The Mamata Banerjee government has decided to introduce hidden cameras to record the ins and outs of employees in government offices to ensure they reach by 10.30am.

The pilot project will be tried in the new year at the West Bengal Essential Supplies Corporation.

The CCTVs have already been installed. Operation will begin from February 1.

Attendance has always been a prickly issue with government employees. Many staff walk in late by simply signing in. Those who sneak out before closing time have evolved any number of smart tricks, including leaving their spectacles or bag on their table to feign that they are around and will return later.

Power tariff hike proposal opposed

REB faces criticism during BEREC hearing

STAR CORRESPONDENT

Rights activists, industrialists and politicians yesterday vehemently opposed proposals to increase retail power tariff that rose six times since 2010.

The objections came at a hearing at Bangladesh Energy Regulatory Commission (BERC) in Dhaka on the Rural Electrification Board's (REB) sug-

gestion for an average 9 percent increase in power tariff.

REB, a distribution company, asked the energy regulator to raise the retail price to cut subsidy amid an increase in bulk tariff and cost of services.

Prof M Shamsul Alam, energy adviser to the Consumers' Association of Bangladesh, said the retail power tariff
