PADMA GRAFT CONSPIRACY

Lift ban on use of info

ACC writes to WB

STAFF CORRESPONDENT

The Anti-Corruption Commission has urged the World Bank to lift the embargo on the use of information the global lender had provided regarding the corruption conspiracy in Padma bridge project.

If it is done, the ACC would be able to implicate some influential figures in the graft conspiracy case, said a high official of the anti-corruption watchdog.

The WB had shared some information with the ACC about former communications minister Syed Abul Hossain and some public and private officials, who were allegedly involved in the conspiracy, on condition that none of the piece of information can be used in the court of law or even cited as reference.

Early this month, the WB external panel in a letter wanted to know how the ACC would move forward with the investigation and sought a written reply to their eight queries.

ACC Chairman Ghulam Rahman yesterday said, "I have signed the letter today [Monday] and it has already been sent to the World Bank's local office. We want to carry out a transparent, complete, fair, comprehensive and adequate probe into the allegation."

Runway overlay underway

STAFF CORRESPONDENT

Asphalt concrete overlay work on the lone runway of the Shahjalal International Airport started on Sunday after more than one and a half months of preparations including repair of several long cracks on the surface.

The long cracks developed on the country's busiest airport as the life of the asphalt concrete overlay expired more than six years ago, posing a serious threat to aircraft.

The work started on December 1 last year and is set to continue till May 31 this year. The authorities keep the runway shut every day for nine hours from 11:00pm to 8:00am to allow the huge task done.

PM rejects proposal for a hike

STAFF CORRESPONDENT

The cabinet yesterday dismissed a proposal to increase the daily allowance of the prime minister, ministers, state ministers and deputy ministers.

Prime Minister Sheikh Hasina did not agree to the proposal when it was tabled before the cabinet, Cabinet Secretary Muhammad Musharraf Hossain Bhuiyan told journalists after the meeting.

The premier, who chaired the meeting at the Secretariat, said there is

\$1B ARMS DEAL WITH RUSSIA

All rules followed

Military tells press, insists highest level of transparency ensured

DIPLOMATIC CORRESPONDENT

Top military officials yesterday claimed that the just concluded defence purchase deal with Russia on state credit of \$1 billion was done by following all existing rules and procedures of the country as well as maintaining the highest level of transparency.

"The equipment to be purchased are highly essential for enhancing capability of the armed forces. The interest rate of the loan is 4.5 percent and will be paid in 20 instalments in next 15 years," said Principal Staff Officer (PSO) of the Armed Forces Division Lt Gen Abu Belal Md Shafiul Haq.

Addressing a rare press conference at the Air Force's Falcon Auditorium, he said

military equipment like tank destroyer missile, armoured personnel carrier, mechanised pontoon bridge for the army and combat trainer aircraft and military helicopter will be purchased under the loan agreement signed on January 15 during Prime Minister Sheikh Hasina's visit to Russia.

Abu Belal, however, declined to mention the volume and size of the equipment, saying, "We need to maintain some secrecy and confidentiality because these are part of every defence purchase agreement."

The PSO said conditions of the agreement are highly flexible and Bangladesh side negotiated the deal for over a couple of years and succeeded in bringing down

LONG HAUL BUS SERVICE

Fares charged at higher rate

PANKAJ KARMAKAR

Although the new transport fare comes into effect today after the recent petroleum price hike, many intercity bus operators have been charging passengers higher fares for more than a week.

The government has hiked the fare by 10 paisa to Tk 1.45 a kilometre, but the operators are not following it. In many cases, they are charging double the amount of the hiked fare.

A staff at the capital's Kalyanpur counter of Hanif Paribahan said, "Before the fuel price hike, the one-way fare on Dhaka-Bogra route was Tk 350. On January 9, we have increased the fare to Tk 380."

Asked why they had raised the fare before the government's decision came into force, he said, "We are just following the directives of our top management. It is not only us, but all the other bus operators have hiked the fares."

Fakhrul gets bail in one of 22 cases

STAFF CORRESPONDENT

The High Court yesterday granted ad-interim bail for six months to BNP acting secretary general Mirza Fakhrul Islam Alamgir in a case filed for blasting cocktails in the capital's Motijheel on December 9 last year.

The court also issued a rule upon the government to explain in four weeks why Alamgir should not be granted regular bail in that case.
