## US to open up more for Bangladeshi students

Says Ann Stock  
UNB, Dhaka

United States Assistant Secretary of State Ann Stock yesterday said her government is keen to open up more opportunities for Bangladeshi students to study in US institutions of higher education.

The US will continue to help the students navigate in the US educational institutions to facilitate intimate engagement between the youths of both the countries, she told a media roundtable at the American Center in the capital.

Asked whether the US has any target how many Bangladeshi students to be enrolled in educational institutions, she said, "We want to make it as high as we can."

The US government is working on a 10-year plan for its engagement in Bangladesh's education sector, she added.

Dhaka US Embassy officials also informed reporters that the US has no plan to restrict Bangladeshi citizens from getting student visas.

## Army takes charge of Bahaddarhat flyover work

STAFF CORRESPONDENT, Ctg

Three months after the Bahaddarhat flyover partially collapsed, Bangladesh Army yesterday took over the charge of supervising the remaining construction work of the flyover.

On November 24 last year, 12 people were killed as three concrete girders of the flyover collapsed in Bahaddarhat of Chittagong.

Bangladesh Army and Chittagong Development Authority (CDA) signed a memorandum of understanding (MoU) on the matter at CDA office yesterday and visited the site at Bahaddarhat intersection.

Brig Gen Shamsul Alam Khan, head of Special Works Organisation (SWO) of Chittagong cantonment, said the remaining 20 percent of the construction work would be completed by June 2013.

Mir Akhter Hossain Ltd would lead the construction work alone as Parishad, a partner of joint venture company Mir Akhter-Parishad which was entrusted before, has been excluded from the project due to its little experience.
