

# 71 health staff lose job in Bagerhat

UNB, Bagerhat

At least 71 class III and IV employees of the health department in the district have lost their job after three and half months of their appointment.

The Health and Family Welfare Ministry recently cancelled their appointments through an order signed by Senior Assistant Secretary Rezawanur Rahman.

District Civil Surgeon Dr Mohammad Barik Hossain said the ministry concerned issued a notification in this regard which he received on Thursday last.

Of the sacked employees, 14 belong to class III while 57 to class IV.

Dr. Swapan Kumar Topadar, former civil surgeon of the district and secretary of the appointment board, said a circular had been published for recruiting 71 employees in the health department through newspapers.

Later, a five-member committee led by Dr AKM Abdus Samad Mia, director of the health department, Khulna division, was formed to this effect.

An official at Bagerhat Civil Surgeon's office said, some

officials who were involved in the recruitment process managed to get the appointment of the 71 staff cancelled using their influence on the authorities when they failed to pick up a few candidates of their choice for job.

A few ill-fated employees, including Sikdar Masum Billah and Soumendra Nath Saha of class III and Tuttuni Jomaddar of class IV, claimed that after fulfilling all the requirement and employment rules they applied for the job and were selected through necessary test finally.

They joined their job on November 10, 2012 and also drew three months' salaries.

In this circumstances, they cannot accept the job termination decision in any way, they said.

While talking with some sacked employees of Sadar, Rampal, Morrelganj, Shoronkhola and Fakirhat upazila health complexes, they said they were happy with the job but now they have become utterly disappointed.

On November 8, 2012, at least 71 employees were given appointments in the district's health department.

Later they joined their services on November 10 and 11.

slogans, demanding deaths to all war criminals, protesting, what they said, country-wide Jamaat-Shibir atrocities in the last few days in the name of hartal.

Almost at the same time, the local unit BNP, too, brought out a procession in the town to drum up support for the nationwide hartal they called for Tuesday.

After parading different streets of the upazila town, the two processions came

face-to-face, creating tension among the activists of the two rival parties.

At one stage, they engaged in a clash which led to Baliakandi-Rajbari highway blocked for two hours, used tyres being burned down at Raipur section of the road and 41 injured on both sides.

During the mayhem, 20 vehicles were damaged, AL leader Nawab Ali's petrol pump vandalised, the

houses of AL men, including that of Sramik League leader Idris Ali Fakir, torched and looted and shops set afire.

On information, police rushed in and vainly used clubs to tame the situation. Nine policemen were also injured in the melee.

Additional police were called in and swung into action firing 25 rubber bullets to control the situation. Five people were arrested from the spot.
