## MARCH 11 VIOLENCE HC bail for 6 opposition leaders

STAFF CORRESPONDENT

A High Court bench yesterday granted six months' bail to six opposition leaders accused of attacking police on March 11 near BNP's central office in the capital's Naya Paltan.

They are Opposition Chief Whip Zainul Abdin Farroque, BNP's joint secretary generals Amanullah Aman and Rizvi Ahmed, leaders of the main opposition Shahjahan and ZM Zahid Hossain and Jatiya Gontantrik Party chief Shafiul Alam Pradhan.

However, all but Pradhan will not be freed at this moment since they did not get bail in another case filed against them on charges of blasting cock-tails.

## Buriganga too much polluted

SPECIAL CORRESPONDENT

The water of the river Buriganga has turned into a mass of sludge, prompting visitors to wear masks to avoid intoxication while examining it.

The Asia Regional Coordinator of the New York-based Waterkeeper Alliance Charles Depman visited the river Buriganga yesterday along with members of its local partner, Buriganga Riverkeeper, to assess the water condition of the lifeline of Dhaka.

"I have never seen such a polluted river, the water looks lifeless and toxic, emitting a strong stench in the area," Depman, who wore a gas mask to avoid intoxication from the river water, told The Daily Star.

## Correction

In our story-- Tahmima among top 20 young British novelists -- Wednesday, the second paragraph from the last should have read: Tahmima Anam is the daughter of Shaheen Anam, executive director of the Manusher Jonno Foundation and Mahfuz Anam, editor and publisher of The Daily Star. She is the granddaughter of late Akikunnessa Ahmed and Abul Mansur Ahmed, who was a writer, politician and journalist. We regret the inadvertent mistake.

## Ctg port still reels from workers' strike

*Unloading of imported goods hampered as negotiations with lighterage vessel owners fail*

DWAIPAYAN BARUA, Ctg

The stalemate over unloading and transportation of goods at Chittagong Port drags on as a majority of lighter vessel workers continued their indefinite strike yesterday.

Following directives from the shipping ministry, Bangladesh Shipping Corporation (BSC) yesterday sent its vessel Banglar Mamata to the outer anchor-

age for unloading goods from the mother vessels anchored there.

Five more BSC vessels would be engaged in the job within a week to ease transportation of goods, BSC Managing Director Commodore Moqsudul Qader told The Daily Star.

The state-run organisation will also hire lighter vessels, he added.

Guided only by the flicker of their lanterns and the last light of a dimming sun, three cormorant fishermen drift silently across a Chinese lake, hoping to make a last catch for the day.

With its myriad shades of purples and blues, this stunning photograph provides an eery and touching snapshot of a dying tradition, all but stamped out by big business.

## JOBS IN MALAYSIA

## First batch to fly April 25

STAFF CORRESPONDENT

The first batch of around 200 Bangladeshi workers will fly to Malaysia on April 25 for plantation jobs, Expatriates' Welfare and Overseas Employment Minister Khandker Mosharraf Hossain said yesterday.

"We have got a list of around 200 workers from the Malaysian government from among the names of 10,000 workers submitted to them," he said.

The minister was talking to reporters at his ministry after awarding commercially important person (CIP) card to 13 non-resident Bangladeshis for their contribution to the country's economy.

Urging people not to be misguided and deceived by any propaganda, the minister alleged some quarters were spreading propaganda against the government that it would not be able to send workers to Malaysia.
