Two flatmates confess to killing

STAFF CORRESPONDENT

Two youths found dead inside their residence in the capital's West Shewrapara on May 31 were murdered by their two flatmates with the help of a professional killer over previous enmity and for their money and valuables.

This was confessed by one of the flatmates, Milon, arrested by Rapid Action Battalion (Rab)-2 from Uttara's Abdullahpur early hours yesterday, said Rab officials.

Milon's accomplice Faruk; another flatmate, Karim; and a housemaid were arrested from the flat on the first floor of a four-storey building around an hour after Anharul Islam Razib, 28, and Khairul Bashar, 28, were found dead.

Seven youths used to reside in the flat. The remaining two went to their village home some days ago.

Timetable for DCC polls likely this week: CEC

STAFF CORRESPONDENT

The Election Commission may decide by this week on fixing the timetable to hold elections to the Dhaka city corporations, Chief Election Commissioner (CEC) Kazi Rakibuddin Ahmad said yesterday.

"Now we will have to take action immediately as delimitation of one of the city corporation's boundary has already been completed.

"We are working on this and it will be clear to us by this week on when we will be able to hold the elections," he told journalists at the Election Commission Secretariat in the capital.

Rakibuddin said they received a Local Government Division gazette stating that Dhaka South City Corporation's boundary was expanded with Sultanganj Union Parishad under Kamrangirchar thana being included in ward 57.

"We will have to hold the elections either before Ramadan or after Eid. As Ramadan is very close, we think candidates should be given sufficient time for electioneering. Again, it will be too late if it goes after Eid. We

are observing the whole situation," he said.

Elections to the Dhaka city corporation, now separated into north and south, was last held in 2002 and its tenure expired in 2007.

On electoral code violation allegations against some candidates of the June 15 Rajshahi, Sylhet, Barisal and Khulna city corporation polls, Rakibuddin said, "No violator of the code of conducts will be spared.

"Returning officers are authorised to take action against violators. We are monitoring from here," he said.

On alleged electoral campaigns by a state minister and some high profile political leaders in favour of mayoral candidates, Rakibuddin said, "As the city corporation polls are apolitical, we request all politicians not to conduct any political campaign.

"If such incidents occur, we will ask them to explain."

On EC's role over allegations that some candidates are making use of religious sentiments in their electoral campaigns, Rakibuddin said the Election Commission already alerted the respective returning officers to check such activities.

Qamrul for new act to protect witnesses

STAFF CORRESPONDENT

New act to protect witnesses during prosecution is required to reduce criminal activities such as human trafficking, said State Minister for Law Qamrul Islam yesterday.

He urged the home ministry to initiate the act as soon as possible.

The state minister was addressing as chief guest a daylong national level advocacy workshop on improvement of prosecutorial process of human trafficking cases.

Human rights organisation, Rights Jessore, with the supports of USAID and Winrock International, arranged the workshop at Cirdap Auditorium in the capital.

Telling the criminals as influential and wealthy, the state minister said socio-economical crises such as poverty and youth unemployment were the main causes behind human trafficking in the country.

The rights organisation presented a report based on study of 100 criminal cases under the "Human Trafficking (prevention and protection) Act-2012".

The study conducted in Jessore, Narail and Satkhira districts, found that both the victims and witnesses remained vulnerable during investigation and prosecution.

In most cases, the criminals managed to escape punishment due to lack of proper investigation, said Binoy Krishna Mallick, executive director, Rights Jessore.

Prosecution witnesses gave hearsay statements

Quader Mollah's lawyer tells SC

STAFF CORRESPONDENT

Two prosecution witnesses--Syed Abdul Kaium and Khondaker Abul Ahsan -- have given hearsay statements before the International Crimes Tribunal-2 regarding the involvement of Abdul Quader Mollah in killing Khondaker Abu Taleb in 1971, Abdur Razzaq, a lawyer for Mollah, told the Supreme Court yesterday.

Abu Taleb, journalist, litterateur and lawyer, was killed in Mirpur's Jalladkhana during the country's Liberation War.

Razzaq was placing arguments on the sixth day of the Appellate Division's hearing on convicted Jamaat-e-Islami leader Abdul Quader Mollah's appeal seeking acquittal in the war crimes case.

Earlier, Syed Abdul Kaium, the 10th prosecution witness and former colleague of Taleb, told the ICT-2 that Quader Mollah and his accomplices killed Abu Taleb at Jalladkhana during the Liberation War.

The fifth prosecution witness, Khondaker Abul Ahsan, son of Taleb, told the tribunal that Quader accompanied by some non-Bangalees killed his father on March 29, 1971.

Abdur Razzaq yesterday told the apex court that the statement of Khondaker Abul Ahsan is contradictory as he had earlier made a statement at Jalladkhana, where he did not mention the name of Quader Mollah in his father's murder.

The ICT-2 on February 5 awarded life term imprisonment to Mollah. The apex court fixed today for further hearing on the case.

Abul Ahsan's statement is not corroborated by the investigation officer of the case, he argued and said Quader Mollah was not involved in the murder of Abu Taleb.
