

Govt shuffles envoys abroad

DIPLOMATIC CORRESPONDENT

The government has brought some important changes in foreign missions through fresh appointments and transfers.

According to officials, Director General of South-East Asia wing Md Golam Sarwar has been appointed ambassador to Sweden while Ambassador to Sweden AFM Gausul Azam Sarkar made ambassador in the newly opened mission in Beirut in Lebanon.

Mohammad Ali Sarkar, now ambassador to the Netherlands, has been appointed ambassador to Germany. Consul General in Los Angeles, USA Enayet Hossain has been appointed as ambassador to Jordan.

Meanwhile, the government has decided to appoint Mosud Mannan, now additional foreign secretary, as new ambassador to Uzbekistan. Mosud, former ambassador to Germany, was withdrawn from Berlin in February at the request of the German government for "violating rules" in terminating jobs of some local (German citizen) staff from the Bangladesh embassy. Foreign ministry officials said Mosud Mannan also created problems regarding payment of salaries to local staff of the embassy.

Two-day IT fest begins at DU

DU CORRESPONDENT

With a view to promoting information and technology (IT) knowledge with practical concern among the country's youth, a two-day IT festival began at Dhaka University yesterday.

As many as 1,000 students and technology lovers from around 45 universities of the country are taking part in the second "DUITS-Robi Campus Fest".

Addressing the inauguration ceremony at the DU senate building, Speaker Dr Shirin Sharmin Chaudhury stressed equal access of both men and women to information and communication technology (ICT), saying it was imperative for building a knowledge-based democratic society.

The festival, themed around the role of ICT to prevent violence against women, is hosted by Dhaka University Information Technology Society (DUITS), supported by telecom firm Robi.

The festival featured project screening, gaming, quiz, debate and application development competition aimed at boosting the knowledge of contestants in using technologies.

AL won't accept poll-time govt with unelected persons

Says Syed Ashraful Islam

STAFF CORRESPONDENT

Awami League General Secretary Syed Ashraful Islam yesterday said the next parliamentary elections would be held under an interim government composed of elected representatives.

He said the Awami League (AL) would not accept any government formed with non-political and unelected people to oversee the next general election.

Ashraf was talking to journalists after placing a wreath at the portrait of Bangabandhu Sheikh Mujibur Rahman at Bangabandhu Memorial Museum in Dhanmondi, marking the Six-Point Demand Day.

On this day in 1966, Bangabandhu

launched a massive movement against the then misrule with a six-point demand, which included establishing autonomy for the erstwhile East Pakistan, now Bangladesh.

The AL spokesperson said there was still a chance to reach a consensus over the poll-time government formation.

Ashraf, also the LGRD and Cooperatives minister, hoped that the BNP would place its proposal in the current session of parliament over the formation of a poll-time government.

Talks on the issue would have to be started in parliament and then discussion could take place among different teams of AL and BNP, he said.

Budget will raise inflation: Moudud

STAFF CORRESPONDENT

The proposed budget will raise inflation in the county's economy, said BNP Standing Committee Member Moudud Ahmed yesterday.

Terming the budget "big beautiful balloon", he said it will not bring benefit to the people, rather it will push up inflation and create a risky atmosphere for investments in the country.

The BNP leader was speaking at a discussion organised by Bangladesh Islamic Party at Jatiya Press Club in the capital.

"There is no guideline in the budget -- how money for this big budget will be collected. It is not possible by imposing direct and indirect taxes."

In another programme at the same venue, BNP Standing Committee Member Rafiqul Islam Miah said the government has cheated the people by proposing a pro-election budget.

The budget has no relation with the country's economy, he said adding that it will badly affect the lives of people.

On Thursday, Finance Minister AMA Muhith placed the budget of Tk 222,491 crore at the parliament for the fiscal year 2013-2014.

Bangladesh Health Innovation Challenge Fund (HICF) Call for Registration of Interest

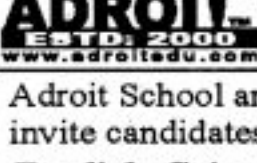

The UK Government has established a new grants mechanism and mentorship scheme in Bangladesh to encourage innovative solutions in health service delivery, which will offer benefits, particularly to poor and under-served populations, in a financially sustainable way. The fund has been called the Bangladesh Health Innovation Challenge Fund (HICF), and it aims to promote significant changes in the local health system through a competitive grants award scheme which will be complemented by a long-term partnering and mentorship approach aimed at supporting local private, voluntary, and civil society actors to develop commercial initiatives to improve health service delivery.

The HICF will identify and co-fund commercially viable innovations through a competitive grant process aimed at local private, voluntary, and civil society actors. Successful grantees will gain access to partnering opportunities, mentorship and technical support to help their initiatives succeed.

The HICF will be open to both established and new social entrepreneurs for health innovation projects that:

- Demonstrate new models
- Have potential to become financially sustainable
- Are relevant to the poor, particularly women and children
- Offer additional social benefits beyond the projects itself
- Can be replicated or grown to achieve significant impact

Interested grant applicants are invited to register their interest to take part in the grant scheme by sending an email to: hicf@grminternational.com by 15 June 2013.
