Career in Power Sector

The Coal Power Generation Company Bangladesh Ltd (CPGCB) owned by the Government of People's Republic of Bangladesh and a successor utility for generation of electricity to meet its growing demand of the country, has already started functioning. Now the CPGCB invites applications from qualified professionals for the following post of:

1. Director Technical (Planning & Development), 1 (One) post:

The Director Technical is the Chief Technical Officer of the Company reporting through the Managing Director to the Board of Directors. He shall act as a member of the Management Team of the Company to assist the Managing Director, for overall coordination of company's management, planning, development and preparation of the project profiles for the electrical generation system, ensuring the compliances of Laws, Rules and Regulations for Good Governance. He is also responsible for the technical studies, engineering, construction, supervision, operation and maintenance of all the facilities of the Company, and shall assist the Managing Director for negotiating project financing issues with donors/development partners and listing the Company in the stock exchange(s), etc.

Required Qualification, Experience & Age Limit:

Candidates must be Graduate Electrical/Electrical and Electronic/Electromechanical/Mechanical Engineers with at least twenty (20) years of experience as Assistant Engineer and above, in large Public Utility Organisation or large company working in multi-disciplinary environment, including experience of working in 2nd or 3rd position or above of the organisation in planning and design. Candidates with Post Graduate Qualification in Engineering and experience of working in large public electric utility will get preference. For extraordinary candidate working multidisciplinary electricity utility working in 4th position may also be considered. The candidate should be fluent in spoken and written Bangla and English language, and shall be capable of working under and managing the emergency situations. Age limit of the candidate shall be forty-five (45) to fifty-six (56) years on the last date of submission. The age limit may be relaxed up to 1 (one) year in case of highly experienced candidate.

The candidates who applied before for this post need not apply further for the same.

Remuneration:

Basic salary per monthly Taka eighty-five thousand (85,000.00) only + house rent (if proper accommodation could not be made available) @ 50% Taka forty-two thousand five hundred (42,500.00) per month, two festival bonuses in a year, contributory provident fund, group insurance, encashment of leave, fringe benefits, gratuity, etc. as per applicable rules of the company. Expenses at actual for medical services for self, spouse and dependent children within Bangladesh will be reimbursed up to a maximum limit of two (2) months basic salary per annum and full time transport with driver will be provided. Income tax shall have to be paid by the employee.

3. Asstt. Manager (Environment, Safety & TQM) 1 (One) post:

The Asstt. Manager (Environment, Safety & TQM) of the company reporting to the Managing Director. He shall act the company to assist the Managing Director, for overall coordination of company's environmental, safety & TQM.

Required Qualification, Experience & Age Limit:

Candidates must be post graduate in Environmental Science or graduate in Environmental Engineering from any recognised university. Candidates having at least twelve months higher training in Environment Management and control will be considered as special qualification. In addition to abovementioned qualification, person who are familiar with ISO-14001 & ISO-18001 & TQM will be given preference. Experience in Environmental, Health & Safety of IFC guidelines on Thermal Power Plant (IFC) will be considered as added advantage. Conducting power plant Environmental Impact Assessment (EIA) will also be considered as added advantages. Age limit of the candidate shall be maximum 30 years for the general candidates and 32 years for the dependents of the freedom fighters on the last date of submission of application. But it may be relaxed for the experienced candidates.

Remuneration/Compensation Package:

Basic salary per month Taka thirty thousand (30,000.00) only + house rent (if proper accommodation could not be made available) @ 60% Taka eighteen thousand (18,000.00) per month, two festival bonuses in a year, contributory provident fund, group insurance, encashment of leave, fringe benefits, gratuity, etc. as per applicable rules of the company. Expenses at actual for medical services for self, spouse and dependent children within Bangladesh will be reimbursed up to a maximum limit of two (2) months basic salary per annum. Income tax shall have to be paid by the employee.

Nature of the Service:

The service shall be on contract basis. The initial contract period of the service shall be for 3 (three) years and is renewable for further period based on the satisfactory performance and as per approval of the Board of Directors of the company. However, the performance of the selected candidate shall be evaluated and monitored yearly by the Board of Directors of the company for taking decision about his continuity of service in the company.

General Conditions:

- The post applied for must be marked on the top of the envelope.
- Person employed in government/semi-government/autonomous organisation(s) and government owned company(s) should apply through proper channel.
- Computer literacy of candidate will get preference.
- Only short-listed candidates will be called for interview.
- Coal Power Generation Company Bangladesh Ltd (CPGCB) management reserves the right to cancel any or all application without assigning any reason whatsoever.

Submission of Applicant:

Application (cover letter) with a detailed CV signed by the applicant and attested copies of all educational and experience certificates including training and other activities, national ID card and 3 (three) copies recent PP size photograph must reach by 07.07.2013 (within office hour) to "The Managing Director", Coal Power Generation Company Bangladesh Ltd, Biddiut Bhaban, Room No. 918 (Level-8), 1, Abdul Gani Road, Dhaka-1000.
