Professor Anisuzzaman gets Sufia Kamal Award

STAFF CORRESPONDENT

Noted academician and essayist Prof Anisuzzaman was awarded with this year's Sufia Kamal Award yesterday.

The esteemed award was given in a ceremony in the event of Sufia Kamal's 102nd birthday. The ceremony was held at the Institution of Engineers, Bangladesh in the capital.

Ayesha Khanam, chairperson of Bangladesh Mahila Parishad, the women's rights organisation founded by poet Sufia Kamal, handed over the crest to Prof Dr Anisuzzaman.

The distinguished professor had also been awarded the Ekushey Padak in 1985.

Anisuzzaman said the misuse of religion and abuse of secularism is contrary to what Sufia Kamal had envisioned about the country.

Ayesha Khanam too spoke out against the intermingling of politics and religion.

"The society of Bangladesh is based on keeping the state apart from religion," she said.

Eminent folklorist Prof Dr Abul Ahsan Chowdhury presented a memorial speech in remembrance of the poet.

Maleka Banu, general secretary of Bangladesh Mahila Parishad, also spoke at the event.

Govt to set up digitalised vehicle inspection centre Says Obaidul Quader

STAFF CORRESPONDENT

The government will set up a new vehicle inspection centre with modern equipment in the capital's Mirpur to inspect fitness of vehicles in a digitalised way, said Communications Minister Obaidul Quader yesterday.

"Construction works of the modern inspection centre will start by the second week of July," he told reporters while supervising a mobile court's drive against unfit vehicles in the capital's Manik Miah Avenue.

Claiming that some corrupt officials of Bangladesh Road Transport Authority (BRTA) provide fitness certificate through underhand dealings with vehicle owners, the minister said such ill practices will come to an end when the digital inspection centre starts functioning.

According to the existing manual system, a BRTA inspector inspects fitness status of a vehicle. If the new system is introduced, fitness of vehicles will be checked in a computerised system.

"I have come here to observe the real situation of operating unfit vehicles. We have a meeting on June 25 where transport owners, workers and law enforcement agencies will attend. We will discuss the issue in the meeting," he said.

DEFEAT IN BCC MAYORAL POLLS AL leaders refute Hiron's claims against Hasanat

OUR CORRESPONDENT, Barisal

Refuting Shawkat Hossain Hiron's allegations over his defeat in the June 15 Barisal City Corporation polls, Barisal district and its 10 upazila unit Awami League leaders yesterday said the defeat caused the mayoral candidate to become "mentally unstable".

Hiron, at a press conference on Tuesday night, accused Abul Hasanat Abdullah, Barisal district unit Awami League (AL) president, of "destroying his political career and sacrificing him" for the latter's "own interests".

Hasanat had campaigned against him through his family members and AL and Bangladesh Chhatra League leaders, leading to the defeat, added the Barisal city unit AL president.

Addressing a press conference in Barisal Press Club, the AL leaders said Hiron's statements went against the party discipline and would benefit only the opposition.

Hasanat, amid the death of his brother-in-law and alongside the district and central AL and 14-party alliance leaders, had campaigned "heart and soul" for Hiron, they added.

Use of religious sentiments in the opposition's propaganda and different national issues caused defeats of AL-backed mayor candidates in all four city corporation elections, they explained. The defeats were for AL as well but Hiron was taking it personally, resulting in the creation of factions within the party, they said. Gaurnadi upazila unit AL Secretary Harisur Rahman Haris read out a written statement.

Shajahan Khan slams civil society on GB restructure

OUR CORRESPONDENT, Madaripur

Shajahan Khan yesterday criticised the civil society regarding restructuring of Grameen Bank.

"I do not understand what our civil society says and I do not know their language," the minister said while distributing donation cheques for mosques, temples and poverty-stricken people at the deputy commissioner's office in Madaripur.

The minister also said that the same civil society invented the minus-two theory during the caretaker government regime.

"If people who make such comments contest in elections, I do not know how many votes they will get," he said, adding that a country is run by an elected government and not the civil society.
