DIRECTOR GENERAL

BIM

BANGLADESH COLD STORAGE ASSOCIATION
BCSA BHABAN, 38, PURANA PALTAN, DHAKA.-1000

(TENDER NOTICE)

This tender is called for construction of a 10 storied building above ground floor & 2 underground basement floors. The quotation should be submitted within 20th July, 2013 to the Chairman, Building Committee of Bangladesh Cold Storage Association. The conditions will be as follows-

The Quotation of construction of a 10 storied Building above land and 2 basement floors at 38, Purana Paltan, Dhaka-1000 at 10.6 Kathas land.

- The name of the building will be BCSA Tower with 10 floors and 2 basement floors. The participating developer Company must be member of REHAB.
- If possible to get approval from RAJUK for more than 10 floor that will be accepted with thank by the land owner.
- The work should be in 2 shifts such as from morning 8 AM to afternoon 4 PM and from 4 PM to 10 PM so that the building can be completed within 24 months.
- The developer Company should prove that they have completed at least 10 highrise buildings and handed over to the land owner after 100% completion within schedule time.
- Before submission of the plan to RAJUK approval from the land owner should have to be taken. After getting permission from different authorities, the original documents of those permissions should be deposited to the land owners.
- How many days will require to get permission/approval from RAJUK and when construction will start after performing of all formalities. Developer will take all action including finance to get permission from different authorities.
- The developer Company must deposit Bank Solvency Certificate. The developer will not be allowed to take loan from any Bank or financial institution mortgaging the land.
- The land owner will not provide anything for construction of the building except the land.
- Building material such as iron rod must be from BSRM or GPS, cement from Crown or Holcim brand. Sand both local and Sylhet. Bricks & Stone chips must be number one. The quality of the above materials and others will be checked by the quality control Engineer of the land owner. The Building Committee can accept or reject the above materials if found inferior.
- Brand of fire equipment, telephone system, electric/electronic material & glass etc. will be used should be mentioned.
- If the building can not be completed within scheduled time of 24 months what compensation will be given by the Developer to the land owner.
- While construction of the building wil be on progress the quality of construction (at least 5 times) will have to be done from BUET.
- Before starting the construction of the building the floors to be setteled who (land owner & developer) will get which floor. The developer will have to do the construction of office, flat & other offices, toilet etc. with necessary sanitary as per requirement of the land owner.
- The land owner will not take any signing money but in lieu percentage of shares of the building will have to be commensurate.
- If any dispute arises that will be decided/settled by mutual understanding/discussion. Even if there could not be any decision, decision of the land owner will have to be taken as final.
