Bangladesh Telecommunication Regulatory Commission

Preparatory Functions and Supervision in Launching a Communication and Broadcasting Satellite-Project
IEB Bhaban (5th, 6th & 7th Floor), Ramna, Dhaka-1000, Bangladesh
No. BTRC/SLPP/Local Consultant(12)/2012-378 Date: 27 June, 2013

Request for Expression of Interest (EOI)

For
Appointment of Individual Consultant (Local)
(Package No. SD3)

The Government of the People's Republic of Bangladesh has undertaken a Project for Preparatory Functions and Supervision in Launching Bangabandhu Satellite. Bangladesh Telecommunication Regulatory Commission (BTRC) is the implementing agency of the Project at its own cost. BTRC has already appointed a US based foreign consultancy firm to support the project. BTRC is now going to appoint following individual consultants from Bangladeshi nationals and/or NRB to assist in implementing the project. The key objective of this assignment is to ensure that the project is implemented within the scheduled time and that there is a transfer of knowledge to the staff of BTRC.
The qualifications, experience and Terms of Reference (TOR) of the individual consultant and other relevant information are available at BTRC website: www.btrc.gov.bd. Interested applicants may get detailed information from the website.

- Name of the Post and No. of Vacancy:**

Name of the Post	No. of vacancy
Consultant (Frequency Coordination)	01
Consultant (Satellite Spacecraft)	01

- Brief Job Description:** The Consultants will assist the Project Director in efficient overall implementation of the project and ensuring smooth implementation of each activity according to the Project Implementation Plan.
- The Consultant (Frequency Coordination) will assist to review of the current filings related to proposed Satellite that are publicly available through the ITU-R filing database and ITU-R website.
- The Consultant (Satellite Spacecraft) will assist in all aspects of Satellite Construction and Technical Monitoring.
- Duration:** The expected duration of each of the Consultants will be for the project period i.e. till June 2015. The project period might be extended. However, the initial agreement will be for 01 (one) year and each year will be extended based on their performance and needs of the project.
- Remuneration:** The remuneration per month will be BDT 150,000/- only including VAT & Tax and other facilities as admissible by BTRC.
- Qualifications:** The applicants should have a Bachelor/Masters in EEE/Telecommunications Engineering with all through excellent academic record.
- Experience:** Minimum 10 years of experience in Space Communication/Telecommunication. The Consultant should also have: (i) Knowledge of telecommunications and regulatory issues, (ii) Knowledge of ITU Radio Regulations, (iii) Knowledge of Satellite Construction and Technical Monitoring. Preference will be given to applicants having experience in Satellite communications and Radio Regulation.
- Details of the job descriptions, experience and other requirements for each of the posts are available in the BTRC website: www.btrc.gov.bd.
- Expression of Interest (EOI) shall have to be submitted on or before **15 July 2013** in sealed envelope to the Project Director. The envelope be clearly marked "Expression of Interest for the Consultant (Frequency Coordination/Satellite Spacecraft) for "Preparatory Functions and Supervision in Launching a Communication and Broadcasting Satellite"-Project. Both hard copy and soft copy (via email) of applications shall be submitted. Hard copies of applications can be submitted directly or sent via postal/courier to the address of the undersigned and should reach the undersigned within the stipulated time.
- The applicants shall submit attested copies of certificates supporting their job experience, qualifications and eligibility for the post along with a cover letter. The authority may verify these documents if deemed necessary.
- The authority reserves the right to accept or reject any or all applications/EOI(s).

A consultant will be selected based on their qualifications and experience following the procedures of the PPR-2008.
