

### Info service centres in cities, pourasabhas soon

Access to Information (A2I) Programme of the Prime Minister's Office (PMO) has taken a special measure to install information service centres in 11 city corporations and 318 pourasabhas in the country.

A memorandum of understanding (MoU) to this effect was signed Thursday between A2I Programme and Urban Partnership for Poverty Reduction (UPPR) to reach all kinds of service of the city corporations and pourasabhas to doorsteps of the people.

Kabir Bin Anwar, project director of the A2I programme and director general (DG) of the PMO; and Abdur Rashid Khan, project director of UPPR, signed the MoU on behalf of their respective organisations at the PMO.

Kabir said Union Information Service Centres (UISCs) had been set up at 4,501 union parishes to bring rural people under the information technology network for developing their lives and livelihoods.

The A2I programme is working as an effective tool to build a digital Bangladesh, he added.

Under the programme, the people will get services including mobile banking, various government forms, notice, admission forms, government announcements, birth and death registrations, exams' results, health tips, agriculture tips and others, the DG said.

The UNDP-funded A2I programme will implement the project.

### TACKLING EID RUSH BY TRAIN Damaged coaches being restored

Carriage and Wagon Repair Workshop of Bangladesh Railway (East Zone) at Pahartali in Chittagong is now vibrant with activities as workers are busy trying to restore old and damaged carriages ahead of Eid-ul-Fitr to tackle the rush of home-goers.

Md Harun-ar-Rashid, divisional superintendent of the workshop, said they will repair and make available at least 80 damaged coaches before Eid.

The workshop is bustling with workers scurrying to complete the renovation works, especially repairing or replacing steel structures, side panels, seats, rooftops and wheels, on the old and damaged carriages of Bangladesh Railway (East Zone), sources in the workshop said.

Renovations works are going on in all 22 shops of the workshop, they added.

Nadim Mawla, a worker at the workshop, said they have been working without breaks to get the carriages ready for the Eid rush.

Twenty-three carriages are already ready to be used, said Harun-ar-Rashid, adding that rest of carriages will hopefully be available by August 5.

All the renovated coaches will be attached to inter-city trains ahead of Eid to ease sufferings of the home-bound people, said Md Mizanur Rahman, deputy director of BR (East Zone).

### Four hurt during robbery in capital

Four people, including two alleged robbers, sustained injuries during a robbery at a rod and cement shop in the capital's Demra on Thursday.

Of the injured, Palash and Nurul Alam are the robbers; and Harunur Rashid, manager of the shop, and Omar Faruk, its worker.

About 10 robbers attacked the shop, Arora Traders, during iftar time and swooped on Rashid and Faruk leaving the two critically injured, said witnesses.

The robbers took away cash from the shop, said police.

While the robbers were trying to flee, locals caught two of them and beat them up before handing them over to the police.

### 5 lakh litres of furnace oil seized in Ctg

On suspicion of carrying 5 lakh litres of furnace oil without valid documents, police yesterday seized five vouchers and five oil tankers from AK Khan Ghat in Chittagong city.

Pranab Chowdhury, officer-in-charge of Sadar Ghat Police Station, told The Daily Star that they have sent a letter to Chittagong Customs Authority to investigate the matter.

Selim Nabi, owner of Sea Side Marine Limited, owns the tankers and vouchers, police sources said.

Contacted, Selim Nabi, owner of the tankers, said they had collected the oil from different ship breaking yards. They submitted all related papers to the police, he added.

These incidents have been recurring.

Last month, a team of Bangladesh Coast Guard (East Zone) seized the tanker OT Queen of Joyti along with 95,000 litres of furnace oil from Banglabazar area in the river Karnaphuli.

The following day, members of coast guard seized another tanker which was carrying 91,412 litres of crude oil.

In both cases, owners of the tankers could not show valid documents, said sources.
