### Request for Expressions of Interest (EOI) for Consulting Services for Procurement Expert (International) for CEIP-I Bangladesh

Coastal Embankment Improvement Project, Phase-1 (CEIP-1) Disaster Risk and Climate Change Unit Sustainable Development Department Procurement Expert (International) Contract Package No. CEIP-1/D1/S5 Credit No-5280- BD Project ID No.: P128276

The People's Republic of Bangladesh (GOB) has received a credit from International Development Association (the Bank) in an amount of US\$ 375 million and a Grant from Pilot Program for Climate Resilience (PPCR), one of the targeted programs of the Strategic Climate Fund (SCF) under the Climate Investment Funds (CIF) of US\$ 25 million to meet the implementation cost of the CEIP-1. The overall project development objective is to increase the resilience of coastal population to natural disasters and climate change by rehabilitating and improving the polder system in the contagious six coastal districts comprising Satkhira, Khulna, Bagerhat, Pirojpur, Barguna and Patuakhali Districts. From procurement operation and contract administration viewpoint, the project is rated "high risk". More information concerning governments procurement reform/ rules/ procedures are available at the website of the Central Procurement Technical Unit CPTU (www.cptu.gov.bd). In order to safeguard against the associated risk, as part of the overall procurement risk mitigation framework, to provide oversight function for procurement activities of BWDB a Procurement Panel comprising 3 members will be attached to the PMU. The proposed Procurement Expert (International) will be a member of that panel along with one international Technical Expert and one national Procurement Expert in the panel. A part of the IDA fund will be utilized for payments of Procurement Experts (International) who will provide technical inputs for the effective execution of procurement under the project. BWDB now invites eligible individual national consultant to submit its Expressions of Interest (EOI) for providing the services mentioned below. The main objective of the Procurement Expert (International) is to minimize procurement associated risks under the proposed CEIP-1. This will be achieved by carry out the procurement process and oversee the contract management of large contracts mentioned in the

2. Key Functions of the Procurement Expert (International): As a member of the Procurement Panel, the Procurement Expert will specifically be

responsible in assisting the panel for the following functions: \* high value contracts as specified in the procurement plan, the Procurement Panel

Member will prepare of the following documents: the bid documents

panel. S/he will coordinate with other panel members, prepare consolidate reports

and submit all such reports on behalf of the procurement panel to appropriate

request for proposals short-list of consultants evaluation reports

such committees:

procurement plan.

draft negotiated contracts The international procurement expert will act as team leader of the procurement

authority; The panel will act as proposal/bid evaluation committee for specific contracts mentioned in the procurement plan. The international procurement expert will be one of the member of such committees and act as team leader / chairperson of

when large works contracts have been awarded, undertake fields visits to a number of sites and check the quality of construction and performance of the contractors: Oversee the contract management of large value contracts and submit independent reports;

\* Providing guidance to PD to develop better procurement management; Guiding the Supervision Consultant for better contract administration and evaluate

the performance of the Supervision Consultants; Carrying out review of Consultants reports on all contractual matters like time

extension, cost control and compensation; Carrying out the above services in the best interest of the government with

reasonable care, skill and diligence with sound engineering, administrative and financial practices. 3. Qualifications and Experiences:

#### qualification (at least Bachelors in Engineering or Masters in procurement/ commerce / finance/ business/ management/ 'law/or equivalent).

b) About 15 years of work experience of which at least 10 years should be directly related to the relevant tasks of preparation of bidding/ proposal documents/ procurement plan, evaluation of bids/ proposals, negotiation of contract awards, and field inspections relating to contract performance.

c) The expert must have demonstrated sound technical expertise in international

a) The Procurement Expert (International) should have Graduate/Post-graduate

good procurement practices and have proven track record of providing procurement oversight functions. Knowledge of World Bank/Asian Development Bank or similar development partners Procurement Guidelines will be preferred.

d) Experience of working in developing countries with similar conditions will be e) S/he must have in-depth knowledge of technical, commercial and legal aspects of

high value and high risk procurement; with higher-level computer skills in Windows operating system (Word, Excel, Access etc and other applications)

f) Must possess excellent communication skills in English, both written and spoken; Duration of the Assignment: Duration of the consultancy services would be approximately 300 days over the first 3 years of the project starting from FY 2013-2014

to FY 2015-2016. The distribution of days will depend on procurement needs of the project. The procurement Expert (International) from his home country, subject to prior mutual agreement, may carry out a certain percentage of the above total duration of consulting services. As such the consultants input will be intermittent. Requirement of services will be determine as per project requirement and written communication of the Project Director. The Contract may be extended for subsequent 3 (three) years; based on project needs and subject to satisfactory performance of the assignment during the first three years.

Selection Procedures: BWDB now seeks the application from eligible applicants to express their interest in providing services (complete CV with detail information about employment history with duties and responsibilities, current remuneration, academic details, major publication (if any), contract address including telephone number and e-mail) and expected remuneration. The consultants will be selected in accordance with World Bank Guidelines: Selection and Employment of Consultants by the World Bank Borrowers, [January 2011]. Applicants currently in government service in the clients country May
