Vacancy Announcement

Regional Monitoring and Evaluation Manager, Asia
(Job reference number: RMEM-EC0813)

ORBIS International is a nonprofit humanitarian organization that works in developing countries to prevent and treat blindness through hands-on training, public health education, improved access to quality eye care, and partnerships with local health care organizations in an effort to eliminate avoidable blindness. Our Asia Regional Office is pleased to announce the establishment of a challenging position that will work on strengthening the overall monitoring and evaluation activities in the region. Based in Dhaka, Bangladesh, the incumbent will work on the design, development and implementation of a comprehensive, efficient and effective M&E system that will contribute to high quality project performance and evidence-based decision making in the region. S/he will report to Regional Program Director, Asia and work in close coordination with other members of the global monitoring and evaluation team. S/he will also provide technical support, guidance and training to program staff and ORBIS' partner institutions in the region.

Requirements: University degree in statistics, economics, public health, social sciences or related field, coupled with at least 5 years' solid experience in monitoring and evaluation work, conducting assessments, surveys and research studies, proposal development, program design, selecting indicators, implementing monitoring plans and data analysis. Excellent interpersonal, communication, analytical and organizational skills, as well as ability to travel significantly in the region are required. Experience in public health or eye care programs in international development settings is desirable.

How to apply: To apply for this position, please send resume and letter of interest, quoting job reference number, and stating current and expected salary to **hr.recruit@orbis.org**. For more information about ORBIS, please visit our website at **www.orbis.org**.

Deadline for application: August 23, 2013

Personal information collected will be used for recruitment purpose only.
