STAFF CORRESPONDENT

Two persons were found dead in different areas in the capital yesterday.

In Shyampur, police recovered the body of Selim alias Rana, 30, from an alley in Dholaipar area.

Selim was a criminal, said Shyampur police.

The body bore rope marks on the neck which suggest that Rana might have been strangled, said police, adding that there were also several stab injuries in his stomach.

A total of 10 cases had been filed against Selim with Kadamtali and Shyampur police stations for his involvement in robbery, mugging and bomb explosions, the police official added.

Meanwhile in Hazaribagh, Ismat Ara, 28, was found dead in her residence near Basila Bridge.

On information, police went to the house where Ismat used to live alone and recovered the body from the floor of her bedroom.

Marks found on the neck indicate that she was strangled, said Hazaribagh police.

The open steel cabinet in the room suggests that the killer might have robbed some valuables, he added.

Pedestrians suffer due to slow pace of repair work of a sewerage line in Gulistan of the capital. The photo was taken yesterday.

MEDICAL STUDENTS' INT'L CONFCE Bangladeshis 2nd-highest in getting certificates

STAFF CORRESPONDENT

Bangladeshi medical students stood second in attaining certificates among participants from nine countries at a three-day annual international conference held in New Delhi earlier this month.

They achieved 10 certificates, second after India, in different events at "MEDSICON 2013 - The 3rd Annual Medical Students' International Conference", organised by Vardhman Mahavir Medical College and Safdarjung Hospital in Delhi, says a press release.

The events included workshops on basic surgical, clinical and life support training skills; presentation of research works, debate, quiz and photography competitions, scientific poster display, speech presentation and cultural functions.

Morshed Ahmed of Dhaka Medical College and Tonmoy Shekhor Biswas of Faridpur Medical College gained appreciation in the events.

Research papers by Morshed and Tonmoy were selected for publication in New India Journal of Surgery in recognition of their outstanding performance in poster presentation.

Eminent surgeon Prof Chintamani, chairman of the conference, declared Tonmoy "bright researcher of future".

Tonmoy spoke as an ambassador from Bangladesh at the end of the conference while Morshed enthralled the audience with a Bangla song at the cultural programme.

Medical students from India, Bangladesh, England, Indonesia, Russia, the West Indies, Malaysia, Sri Lanka and Nepal took part in the conference.

OVERSEAS JOB UNDER STATE ARRANGEMENT 174 Bangladeshis likely to start leaving for Malaysia on Aug 27

STAFF CORRESPONDENT

Some 174 Bangladeshi overseas job seekers are likely to start leaving for Malaysia on August 27 in the second batch under a government to government arrangement.

"The visas of those workers have reached us, and the ministry is completing the other procedures for sending them to Malaysia," said Zafar Ahmed Khan, secretary to the Ministry of Expatriates' Welfare and Overseas Employment.

In April this year, some 198 workers out of the selected 10,000 migrated to Malaysia for working in the plantation sector.

The rest would be sent to Malaysia

gradually. To this end, their necessary documents had been submitted to the Malaysian employers, he told The Daily Star on Sunday.

Contacted, Bangladesh High Commissioner in Kuala Lumpur ATM Atiqur Rahman said the visas of more than 500 workers had already been issued.

"The workers who will receive visas can come to Malaysia at the end of this month," he told The Daily Star over the phone.

In November last year, the government had received a demand for 10,000 workers from Malaysian employers under a memorandum of understanding (MoU) signed between Dhaka and Kuala Lumpur.
