OUR CORRESPONDENT, Savar

Electronic Medical Records (EMR) system was launched Sunday at Enam Medical College Hospital (EMCH) in Savar, on the outskirts of the capital.

EMCH authorities signed a memorandum of understanding (MoU) with AFC Health Lab in this regard at the hospital on the day.

Under the MoU, the health lab will provide all kinds of technical support to the hospital over EMR which will be the first ever online system in Bangladesh.

EMCH Chairman Dr Enamur Rahman and the health lab Managing Director M Saifur Rahman signed the MoU from their respective sides.

EMR system can store the patients' overall medical records on the internet.

locked and scores of policemen were patrolling the area to avert any more violence.

The rift between the two leaders started shortly after Hiron blamed Hasanat for

his defeat in the mayoral run. Yesterday's clash was the first overt manifestation of their frayed relation.

Hasanat, now in Dhaka, was not available to comment.

Station in 1971.

Alim, a former BNP lawmaker, is facing 17 charges for his alleged involvement in crimes against humanity and genocide in Joypurhat.

Hena said the prosecution could not produce documentary evidence to prove Alim's links with Razakars. Besides, Alim's name did not appear on any list of Razakars, he added.

The three-member International Crimes Tribunal-2 led by Justice Obaidul Hassan adjourned the proceeding till today.

Meanwhile, the cross-examination of one of the two investigators of the case against alleged Al-Badr leaders Chowdhury Mueen Uddin and Ashrafuzzaman Khan, who are accused of being involved with killing of 18 intellectual in 1971, concluded yesterday.

DEMAND FOR ARREST OF SAGAR-RUNI'S KILLERS

Journos threaten agitation

STAFF CORRESPONDENT

Journalists' leaders yesterday threatened to declare "tough agitation" if law enforcers failed to arrest killers of journalist couple Sagar-Runi in seven days.

They issued the ultimatum at a programme to name a Dhaka Reporters Unity (DRU) auditorium "DRU-Sagar Runi Auditorium" after the couple. Sagar's mother Saleha Munir and Runi's mother Nurunnahar Mirza jointly inaugurated the auditorium.

Saleha expressed disappointment as the killers were yet to be brought to book. "I want justice before my death," a sobbing Saleha said.

The leaders, including DRU President Shahed Chowdhury, Vice President ABM Ziaul Kabir Suman, and General Secretary Ilias Khan, assured to stay by the mothers until the killers were brought to book.

The journalists also observed a one minute's silence in memory of the couple.

Sagar Sarowar, a news editor at private TV channel Maasranga, and his wife Meherun Runi, a senior reporter at ATN Bangla, were murdered in their rented West Rajabazar residence in the capital on February 11 last year.

"We were supposed to take it. If it was not taken then we will look into it." Most of them may be removed after a few days, he added.

Mayor in-charge Md Shahajahan affirmed that none had taken permission for the replacement.

AL to rid country

FROM PAGE 5

BNP Chairperson Khaleda Zia's statement in Rangpur on Sunday that the "top war criminals would be released if BNP comes to power". The AL will not let it happen, he said.

Addressing another rally at Bhasani Hall grounds in Tangail Sadar, Joy urged Tangail upazila AL leaders to work in unison to bring AL to power for the sake of continuation of development and full implementation of "Vision 2021".

At every meeting, Joy urged AL men to spread the outcome he forecasted of BNP-Jamaat's return.

Blasting the previous

BNP-led alliance regime, Joy said many AL lawmakers and leaders including Shah AMS Kibria, Ahsanullah Master and Ivy Rahman were killed by BNP men.

Moreover, a grenade attack was carried out on an AL rally to kill his mother. "But during the present regime of the Awami League government, no incident of bomb blast took place, no BNP leader was killed by bombs and no corruption took place like Hawa Bhaban." Highlighting the present government's successes, he said fertiliser prices were reduced while food and power production were increased. If BNP comes to power, the opposite will

happen, he said.

Addressing another rally at Zamurki Abdul Gani High School in Mirzapur, Joy, an IT affairs adviser to his mother and a software engineer by profession, assured to reach electricity and computers in every house if AL returned.

On his way back to Dhaka, he also addressed a rally at Chandra intersection. He said salary and wages of garment workers would be further increased if AL came to power.

Meanwhile, the main opposition BNP yesterday rejected Joy's remarks that militancy and corruption would come back if the BNP-Jamaat alliance returned to power. Addressing a press

briefing at BNP's Naya Paltan Headquarters, BNP Joint Secretary General Ruhul Kabir Rizvi said Joy's claim was nothing but false information.

Terming AL a "laboratory of false information", he said, "Prime Minister Sheikh Hasina is the laboratory's director general and she appointed her son Joy as the assistant director."

Rizvi said the AL had collapsed for its corruption, so appointing a new "batsman" like Joy would not bring any good.

He reiterated that BNP did not support militants and had placed accused militants before the court.
