

SKETCH: YAFIZ SIDDIQUI

## SALVADOR DALI

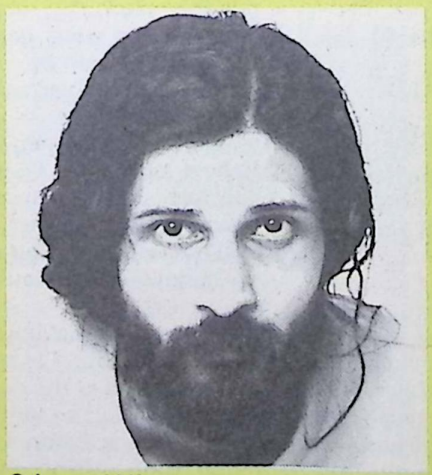

"Have no fear of perfection - you'll never reach it.

I don't do drugs. I am drugs.

There is only one difference between a madman and me. The madman thinks he is sane. I know I am mad.

There are some days when I think I'm going to die from an overdose of satisfaction."

PLEASE! 1 MINUTE

Sabyasachi Hazra

*Artist **Sabyasachi Hazra** is the creator of a significant number of book cover illustrations, logos and paintings. Currently working as Creative Director in an agency cum publication house called Nynthea, Sabyasachi reveals a few facts about his life as an artist.*

**The colours you love to see in your painting**

Red and black

**Favourite time of your day when you work the best**

Starting from 12 am till 2 am in the morning.

**The artists who inspire you**

Picasso, Kamrul Hassan

**Most preferred medium**

Ink and paper.

**The first thing you painted**

Back in my schooldays, I painted a rose that my father taught me to paint.

**The most comfortable workstation**

My studio in my home.

**One cover illustration that is very close to your heart**

*Shukhdukhkher Galpo* (Syed Manjoorul Islam)

**What gives you the inspiration to keep going?**

My wife Tanuja

**The dream yet to accomplish**

To have an art institution in Bangladesh where students will not be restricted in any set of rules and regulations and will enjoy the highest freedom to practice their painting skills.
