

Picture of the Week

PHOTO: PRABIR DAS

Risky? Who Cares! Despite the red flag, a warning sign of danger ahead, people keep risking their lives for a bit of fun and adventure on a bridge under construction in Sadarghat.

What do they say on their social networking sites? Know it all!

THE WALL

Barack Obama@BarackObama
.@SpeakerBoehner was against a government shutdown—until he created one.

Shahidul Alam@shahidul
People often say motivation doesn't last. Well neither does bathing. That's why we recommend them daily...

Bill Gates@BillGates
The battle against #AIDS is not over. But number of people dying continues to decline. How was this achieved? Read: http://b-gat.es/19QFlA6

Shakib al Hasan@moina2
Let me clear myself..... I am not joining politics and I don't have any intention to join politics in my life.
