

friends with Canadians but with students from all continents, making your experience truly international.

Bishop's Students continually report being some of the most satisfied students in the country. Over 90% of senior-year Bishop's Students indicate they would go back to Bishop's if they had to do it all over again.

Bishop's offers several unique opportunities in Humanities and Social Sciences, including programs in Drama, Arts Administration (Music, Fine Arts or Dram in combination with Business studies), Environmental Studies & Geography, and Sports Studies.

Studying science at Bishop's leads students to research and work in cutting-edge fields like Health Science, Environmental and Forensic Science, Robotics, Astrophysics, or Computing and Game Development. In fact, 80% of Honours Science students at Bishop's continue to graduate school, 20% to professional programs such as Dentistry, Medicine and Pharmacy.

Studying Business Administration at the Williams School of Business at Bishop's means a hands-on, experiential business education. Business students enrolled in the Co-op Program receive academic credit for their placements AND a competitive salary. Placement Opportunities can occur in Canada or around the world - it's your choice.
