Govt plot to hold unilateral polls will be foiled: Khaleda

UNB, Dhaka

BNP Chairperson Khaleda Zia yesterday expressed her strong resolve to foil at any cost "the plot of the current government to hold any unilateral election".

"A conspiracy is on to annihilate the country's democracy. The covert conspiracy for reintroduction of the one-party rule through holding a lopsided election has got exposed. This conspiracy by the autocratic forces will have to be thwarted at any cost," she asserted.

Khaleda, also the leader of the opposition, voiced her determination in a message issued on the occasion of Shaheed Noor Hossain Day.

On November 10, 1987, Noor Hossain, a young pro-democracy activist, laid down his life to oust the autocratic regime of HM Ershad.

In her message, the former prime minister said, "The dream for which Noor Hossain sacrificed his life is yet to be fulfilled... the democracy freed in 1990 is now enchained."

Mentioning that Shaheed Noor Hossain is a source of inspiration for the nation in the struggle for restoring democracy, she called upon all to get ready for making the supreme sacrifice following the example of Noor Hossain to build a true democratic country.

Khaleda also urged all, irrespective of party and opinion, to be united to "reestablish democracy" in the country.

Noor Hossain was killed in police firing near Zero Point in the capital while participating in a pro-democracy procession.

He had a striking slogan "Swairachar Nipat Jak, Gonotanttra Mukti Pak" (Down with autocracy, free democracy) inscribed in white paint on his chest and back when a bullet pierced through his body.
