were deployed at 588 points. But train derailments continued, causing around 100 people to suffer injuries till December 4 when three persons died in Gaibandha, prompting the identification of 453 more points and deployment of another 5,976 members on December 6.

Informing about the deployments at a press briefing in the capital's Ansar and VDP headquarters yesterday, Railways Minister Mujibul Haque said eight Ansar and VDP members in two shifts would keep watch within a two-kilometre radius of each point.

Except for some schedule collapses, the country's 334 train services are all active, he added.

Information from the Ansar and VDP members will enable law enforcers to act promptly, said State Minister for Home Shamsul Haque Tuku.

A railway ministry official said no major violence on rail tracks took place since December 6.

The 42-month construction will be within the 25-year concession period, said Obaidul.

The revised route brings the country's maiden elevated expressway's length to 47 kilometres, including the 27 kilometres of its 31 ramps, he said. The revision has reduced private land acquisition to 35 acres from 130 acres.

It stretches from Hazrat Shahjalal International Airport to Kutubkhali near the Dhaka-Chittagong highway via Kuril, Banani, Mohakhali, Tejgaon, Moghbazar, Kamalapur, Sayedabad and Jatrabari.

One-third of the construction, stretching over eight kilometers from the airport to Tejgaon, would be completed in the first phase.

The rest, from Tejgaon to Kamalapur and from Kamalapur to Kutubkhali, would be completed in the second and third phases respectively.

virtually no progress with the implementation being deferred six times due to repeated route alterations and delays by the government in handing over the land and by the concessionaire in arranging the funds. Obaidul said the project

cost increased by Tk 237 crore due to design changes and price escalation.

The government's viability gap funding, that is a grant to support infrastructure projects economically justified but falling short of financial viability, has also risen to Tk 2,414 crore from Tk 2,350 crore.

AZHAR'S CASE

The three-member tribunal led by Justice ATM Fazle Kabir yesterday also rejected a defence application filed seeking review of the indictment order against Jamaate-Islami leader ATM Azharul Islam as it did not find any merit in the petition.

The hearing for the petition had been fixed yesterday but senior defence counsel Abdur Razzaq, on grounds of "personal difficulty", did not appear before the tribunal for the fifth time.

A junior counsel, Syed Md Raihan Uddin, prayed for adjournment. TRIBUNAL-2

The International Crimes Tribunal-2 asked Bagerhat police to produce Shamima Aktar, a lawyer and notary public from Bagerhat, before the court as she failed to appear before it for the fourth time.

On November 17, the tribunal summoned Sheikh Abdul Wadud, lawyer of Bagerhat District Judge's Court, and Shamima to appear before it on December 4 to clarify about an affidavit allegedly sworn by Achhia Khatun, a prosecution witness in the case

against Jamaat-e-Islami

leader AKM Yusuf. Although Wadud had appeared before the tribunal yesterday, Shamima did not, so the three-member tribu-

nal led by Justice Obaidul

Hassan ordered the superin-

tendent of police in Bagerhat

to produce Shamima before

the court on December 19

"without fail". The court, however, exempted Wadud from personal appearance.

During Achhia's crossexamination on November 17, defence counsel Syed Mizanur Rahman showed her a document asking if she recognized the photo attached to it. Achhia said it was her photo, but expressed her surprise on how it got there.

Mizanur also showed her a signature on the document and asked her if she had signed it.

The witness said it was not her signature.

The tribunal chairman said Achhia's affidavit should not be in others' possession unless it was made by others.

Since the witness denied signing the affidavit, the tribunal summoned the lawyers concerned to verify it. The contents of the affidavit could not be known.
