As far as eyes go, the charming yellow of mustard flowers blooming on vast tracts of land in Pabna raise hope of a bumper production this year. The phot was taken from Nazirpur village in Sadar upazila on Wednesday.

Mustard production may exceed target this year

STAR COUNTRY DESK

Blooming mustard covers vast tracts of land in several districts this season as the cultivation area of the popular cash crop exceeded the target due to favourable weather and timely supply of inputs.

Our Tangail Correspondent reports: As much as 38,589 hectares of land in 12 upazilas of the district has been brought under mustard cultivation against the target of 33,761 hectares this season, said sources of the Department Agriculture Extension (DAE).

The production target has been fixed at 40,513 tonnes.

Last year, both the cultivation area and production target in the district were much less than target but the farmers cultivated mustard on more areas of land this time as they had failed to get fair prices of aman paddy.

The cultivated mustard includes Tori-7, BARI-9, BARI-14, and BARI-15 varieties, of them Tori-7

alone covers 80 percent of the cultivated areas, agriculture officials said.

The cultivation of the crop started during mid-November and the harvest will continue till last week of January, they added.

"I have cultivated mustard on 300 decimals of land this year. The yield looks good and the production will be better than last year's if fog does not hamper production," said Abdul Mannan of Poyla village under Tangail Sadar upazila.

Mohammad Azizullah, deputy director of DAE in Tangail, said the mustard cultivation exceeded the target in the district this year and the production is likely to be very good due to favourable weather condition.

The cultivation, however, was hampered at some places due to disturbance in fertiliser supply amid continuous blockade by the BNP-led 18-party alliance, sources said.

Our Pabna Correspondent reports: According to DAE in Pabna,

29,743 hectares of land has been brought under mustard cultivation in the district this season with production target of 35,692 tonnes.

The weather is favourable for mustard cultivation this year. In last year farmers got 1.1 tonnes of mustard from each hectare but this year they expect 1.25 tonnes of yield per hectare, said Al Shahin, development officer of DAE, Pabna.

"Last year I cultivated mustard on one bigha of land but this season I have cultivated it on 2.5 bighas with prospect of good market price this year," said Md Abdus Salam, a farmer of Hamchiapur village of Pabna Sadar upazila.

Farmers in three upazilas of Narail district have brought 5,980 hectares of land under quality mustard cultivation against the DAE

target of 5,664 hectares this season, reports our correspondent.

Ashok Kumar Halder, Narail district training officer of DAE, said favourable weather, proper distribution of high quality seeds, timely supply of fertilisers and other agricultural inputs to the growers and less pest attack in the fields brings hope of bumper production of mustard this year if there is no prolonged foggy weather.

Our Lalmonirhat Correspondent adds: Mustard cultivation in the district is gradually increasing as farmers get good production and fair prices.

A total of 3,100 hectares of land have been brought under mustard cultivation in five upazilas of the district this season with the production target of 3,200 tonnes, Lalmonirhat DAE sources said.

Joy seeks vote for 'boat' in Rangpur

OUR CORRESPONDENT, Rangpur

Sajeeb Wazed Joy, son of Prime Minister Sheikh Hasina, has urged people to vote for the 'boat' symbol in the January 5 parliamentary election for continued development of the country.

Joy came to Rangpur yesterday afternoon as part of his mother's election campaign for the 10th parliamentary election on January 5.

Sheikh Hasina, also president of ruling Awami League, is contesting the elections from the Rangpur-6 (Pirganj) constituency in Rangpur district.

She was elected lawmaker from the constituency in the last national election held on December 29 in 2008.

Addressing a wayside rally

at Chetona High School ground at Bhendabari union in Pirganj upazila, Joy said, "People know who have contributed to the country's development. The Awami League-led government has implemented most of its electoral commitments given to the people of Rangpur. Now it is your turn to re-elect my mother again for continued peace and development of the country."

"The government has started trial of those who committed crimes against humanity during the Liberation War. War criminal Abdul Qader Mollah has already been executed. Trial of other war criminals should also be complete step by step.

Later he addressed another two wayside rally in Pirganj.

Abu Sayeed's charges against rival Tuku

OUR CORRESPONDENT, Pabna

Former state minister for information Prof Abu Sayeed, an independent candidate in Pabna-1 constituency, has alleged that his rival AL candidate advocate Shamsul Haque Tuku, state minister for home, is exerting influence on the local administration in his favour.

"The returning officer is spineless and the superintendent of police and officers-in-charge of three police stations under the constituency have sided with Tuku. So, their activities have raised doubts over the impartiality of January 5 election for the JS seat," Prof Sayeed said while addressing a press conference at Pabna Press Club yesterday.

He demanded the immediate removal of the state minister for home in the interest of a peaceful and impartial election in Pabna-1 constituency.

Sayeed claimed that Tuku's men assaulted his election agent Mahamud Hossain at Nandanpur Bazar in Santhia upazila on December 26 and his campaigners in Dhulauri Bazar in the upazila on December 27.

"The supporters of the rival candidate foiled my election rally at Sonatol Bazar in Santhia upzila on December 31 and the officer-in-charge of Bera Police Station along with the candidate's men raided the houses of my activists at Sanila village in the upazila on Wednesday (January 1)," Sayeed alleged.

He said three officers-in-charge of Santhia, Bera and Ataikula police stations are working as campaigners of Tuku and have threatened my activists with arrest. He urged the authorities concerned to withdraw the police officers immediately to ensure a peaceful and impartial election in the constituency.
