Notice for Training

Applications are invited from the suitable candidates for following course scheduled to start on 3rd week of January 2013 (tentative date, subject to change):

Certificate Course on Clinical Epidemiology Course duration: 6 weeks

GD-36

Certificate Course on Clinical Epidemiology is designed to introduce essential concepts of basic and applied clinical epidemiology. The course is suitable for clinicians who already have a post-graduate degree with research experience or currently in a course leading to a post graduate degree and those want to pursue a career in clinical research as a part of advancing their professional career. (Maximum class strength: 15)

Allowances for the course will be provided as per HPNSDP rules. Interested individuals are asked to apply in a structured CV available in IEDCR website (www.iedcr.org) with two copies of passport size photographs, a covering letter (expressing why they want to attend this course) to the Director, Institute of Epidemiology, Disease Control and Research (IEDCR), Mohakhali, Dhaka-1212, Bangladesh by January 15, 2014. Please note only short listed candidates will be contacted for interview. For course contents and any other information please contact 01759198766.
